 Between
Montana Department of Public Health and Human Services
 And
Board of Health

Identity of Parties and Purpose Statement

This **Cooperative Agreement** (Agreement) is between the **Montana Department of Public Health and Human Services**, (DPHHS) and the **MILES CITY JURISDICTION Board of Health** (BOH).

The purpose of this Agreement is to establish a payment schedule for maximizing the disbursement of funds to the BOH to support inspections of licensed establishments and to determine which optional programs the BOH will conduct.

A failure to sign this agreement will result in the local health jurisdiction not receiving quarterly payments for inspections completed. Each completed inspection will result in a payment equal to the license fee or the portion of that fee designated in the applicable statute.X

Period of Performance and Termination of this Cooperative Agreement

This Cooperative Agreement is effective from **January 1, 2015 through December 31, 2015** and cannot be terminated except by written notification from one of the parties with a minimum of 30-day notice. This agreement may not be extended.

Sole Agreement

This is the only Agreement between the parties with respect to payments for inspections for licensed establishments. This Agreement replaces any previous Cooperative Agreement(s) entered into by the parties with respect to payments and responsibilities for inspections of public establishments as defined in this agreement.

Alterations or Amendments

The parties may amend this Cooperative Agreement by mutual agreement. Any amendment is effective only when in writing and signed by both parties.

Responsibilities of the parties:

The BOH agrees:

1. To inspect the following types of licensed establishments within its jurisdiction on an annual basis:
 - a) Inspections required to be performed by local health jurisdictions
 - i. Retail Food Establishments

- ii. Wholesale Food Establishments
- iii. Trailer Courts & Campgrounds
- iv. Public Accommodation (see 2a for exceptions)

b) The BOH agrees to conduct the following activities:

i. Pools, Spas and Other Water Feature Inspections

No

ii. Body Art Establishment Inspections

No

iii. Body Art Establishment Plan Review

No

c) If the local health jurisdiction is not capable of performing inspections of pools, spas and other water features, and body art facilities they will be conducted by the department or its designee. A designee may include a neighboring area Miles City under contract with the Department.

2. To inspect public sleeping accommodations within its jurisdiction as follows:

a) Inspect each hotel, motel, rooming house/boarding house/hostel before initial license validation, upon complaint, and routinely inspected at least once annually;

b) Inspect each bed & breakfast and tourist/vacation home/condominium before initial license validation and upon complaint;

c) Complete follow-up inspections as determined necessary by the sanitarian; and

d) Make a reasonable effort to license all operating establishments, including tourist homes.

3. Inspections of licensed establishments must be performed by the local health officer, sanitarian, or sanitarian-in-training;

4. Enter inspection dates into the Department's database, within two weeks after the end of each quarter.

5. A minimum of one person in the Miles City will obtain access to the Department's licensing database, receive training, and enter the date and name of person performing each inspection.

6. On a minimum of a quarterly basis, notify the Department of any status changes to establishment licenses (i.e. out of business; change of ownership);

7. Provide copies of inspection reports to the Department for auditing purposes, upon request;

8. Notify the Department when a sanitarian or the BOH takes enforcement action that may impact a license;

9. To be eligible for payment from the Local Board Inspection Fund (LBIF), the Miles City must maintain a functioning local board of health as required by Title 50 of the Montana Code Annotated.

The Department agrees:

1. To pay the percentage required by statute of each licensing fee received by the Department into a Local Board Inspection Fund. Fees paid into the fund will be collected from licensees of retail food establishments, wholesale food establishments, public accommodations, trailer courts and campgrounds, and, if applicable, body art establishments (see Table 2), pools, spas, and other water features.
2. To pay the BOH all fees associated with an establishment from the local board inspection fund, so long as the licensed establishment is inspected or reported as permanently closed and the license fee or fees have been paid by the establishment;
3. If the BOH inspects all licensed establishments in program categories covered by this agreement before the end of the licensure year, payment from the Local Board Inspection Fund will be made at the rates below. Payment rules to be applied to the percentages can be found in Appendix A.
4. To provide copies of plan review correspondence to the Miles City sanitarian; and
5. The amount available from the local board inspection fund is solely dependent upon fees paid by licensed establishments within the relevant jurisdiction. The percentage paid to the BOH under the schedule is intended to be a percentage of the actual amount available in that fund based on amounts paid in from licensees. Under no circumstances will the Department be obligated to pay an amount larger than has been paid into the Local Board Inspection Fund. Payment is also dependent on statutory authority available to the State to make payments from the Local Board Inspection Fund;
6. To provide training, education, technical assistance and information to staff of local board of health; and;
7. To maintain a record of inspections submitted by the staff of the local board of health department as required in rule.
