This Google Apps for Work via Reseller Agreement (the "Agreement") is entered into by and between Google Inc., a Delaware corporation, with offices at 1600 Amphitheatre Parkway, Mountain View, California 94043 ("Google") and the entity agreeing to these terms ("Customer"). This Agreement is effective as of the date Customer clicks the "I Accept" button below (the "Effective Date"). If you are accepting on behalf of Customer, you represent and warrant that: (i) you have full legal authority to bind your employer, or the applicable entity, to these terms and conditions; (ii) you have read and understand this Agreement; and (iii) you agree, on behalf of the party that you represent, to this Agreement. If you do not have the legal authority to bind Customer, please do not click the "I Accept" button below. This Agreement governs Customer's access to and use of the Service.

Services.

1.1. Facilities and Data Transfer. All facilities used to store and process Customer Data will adhere to reasonable security standards no less protective than the security standards at facilities where Google stores and processes its own information of a similar type. Google has implemented at least industry standard systems and procedures to ensure the security and confidentiality of Customer Data, protect against anticipated threats or hazards to the security or integrity of Customer Data, and protect against unauthorized access to or use of Customer Data. As part of providing the Services, Google may transfer, store and process Customer Data in the United States or any other country in which Google or its agents maintain facilities. By using the Services, Customer consents to this transfer, processing and storage of Customer Data.

1.2. Modifications.

- a. **To the Services.** Google may make commercially reasonable changes to the Services, from time to time. If Google makes a material change to the Services, Google will inform Customer, provided that Customer has subscribed with Google to be informed about such change.
- b. **To URL Terms.** Google may make commercially reasonable changes to the URL Terms from time to time. If Google makes a material change to the URL Terms, Google will inform Customer by either sending an email to the Notification Email Address or alerting Customer via the Admin Console, or will alert Reseller. If the change has a material adverse impact on Customer and Customer does not agree to the change, Customer must so notify Google via the Help Center within thirty days after receiving notice of the change. If Customer notifies Google as required, or Reseller notifies Google on Customer's behalf, then Customer will remain governed by the terms in effect immediately prior to the change until the end of the then-current term for the affected Services. If the affected Services are renewed, they will be renewed under Google's then current URL Terms.

1.3. Customer Domain Name Ownership. Prior to providing the Services, Google or Reseller may verify that Customer owns or controls the Customer Domain Names. If Customer does not

own, or control, the Customer Domain Names, then Google will have no obligation to provide Customer with the Services.

Customer Obligations.

2.1 Compliance. Customer will use the Services in accordance with the Acceptable Use Policy. Google may make new applications, features or functionality for the Services available from time to time, the use of which may be contingent upon Customer's agreement to additional terms. In addition, Google will make other Non-Google Apps Products (beyond the Services) available to Customer and its End Users in accordance with the Non-Google Apps Product Terms and the applicable product-specific Google terms of service. If Customer does not desire to enable any of the Non-Google Apps Products, Customer can enable or disable them at any time through the Admin Console. Customer agrees that its use of the Domain Service is subject to its compliance with the Domain Service Terms.

2.2 Customer Administration of the Services. Customer may specify one or more Administrators through the Admin Console who will have the rights to access Admin Account(s) and to administer the End User Accounts. Customer and Reseller are responsible for: (a) maintaining the confidentiality of the password and Admin Account(s); (b) designating those individuals who are authorized to access the Admin Account(s); and (c) ensuring that all activities that occur in connection with the Admin Account(s) comply with the Agreement. Customer agrees that Google's responsibilities do not extend to the internal management or administration of the Services for Customer and that Google is merely a data-processor.

2.3 End User Consent. Customer's Administrators may have the ability to access, monitor, use, or disclose data available to End Users within the End User Accounts. Customer will obtain and maintain all required consents from End Users to allow: (i) Customer's access, monitoring, use and disclosure of this data and Google providing Customer with the ability to do so, and (ii) Google to provide the Services.

2.4 Unauthorized Use. Customer will use commercially reasonable efforts to prevent unauthorized use of the Services, and to terminate any unauthorized use. Customer or Reseller will promptly notify Google of any unauthorized use of, or access to, the Services of which it becomes aware.

2.5 Restrictions on Use. Unless Google specifically agrees in writing, Customer will not, and will use commercially reasonable efforts to make sure a third party does not: (a) sell, resell, lease, or the functional equivalent, the Services to a third party (unless expressly authorized in this Agreement); (b) attempt to reverse engineer the Services or any component; (c) attempt to create a substitute or similar service through use of, or access to, the Services; (d) use the Services for High Risk Activities; or (e) use the Services to store or transfer any Customer Data that is controlled for export under Export Control Laws. Customer is solely responsible for any applicable compliance with HIPAA.

2.6 Third Party Requests. Customer is responsible for responding to Third Party Requests. Google will, to the extent allowed by law and by the terms of the Third Party Request: (a) promptly notify Customer of its receipt of a Third Party Request; (b) comply with Customer's reasonable requests regarding its efforts to oppose a Third Party Request; and (c) provide Customer with the information or tools required for Customer to respond to the Third Party Request. Customer will first seek to obtain the information required to respond to the Third

Party Request on its own, and will contact Google only if it cannot reasonably obtain such information.

Requesting End User Accounts; Service Term. Requesting End User Accounts, as well as initial and renewal terms for the Services, are to be decided upon between Customer and Reseller.

Payment. Customer will pay Reseller for the Services. As a result, all payment terms are to be decided upon between Customer and Reseller.

Technical Support Services.

5.1 By Customer. Customer or Reseller will, at its own expense, respond to questions and complaints from End Users or third parties relating to Customer's or End Users' use of the Services. Customer or Reseller will use commercially reasonable efforts to resolve support issues before escalating them to Google.

5.2 By Google. If Customer or Reseller cannot resolve a support issue consistent with the above, then Customer or Reseller (as applicable based on the agreement between Google and Reseller) may escalate the issue to Google in accordance with the TSS Guidelines. Google will provide TSS to Customer or Reseller (as applicable) in accordance with the TSS Guidelines.

Suspension.

6.1 Of End User Accounts by Google. If Google becomes aware of an End User's violation of the Agreement, then Google may specifically request that Customer Suspend the applicable End User Account. If Customer fails to comply with Google's request to Suspend an End User Account, then Google may do so. The duration of any Suspension by Google will be until the applicable End User has cured the breach which caused the Suspension.

6.2 Emergency Security Issues. Notwithstanding the foregoing, if there is an Emergency Security Issue, then Google may automatically Suspend the offending use. Suspension will be to the minimum extent and of the minimum duration required to prevent or terminate the Emergency Security Issue. If Google suspends an End User Account for any reason without prior notice to Customer, at Customer's request, Google will provide Customer the reason for the Suspension as soon as is reasonably possible.

Confidential Information.

7.1 Obligations. Each party will: (a) protect the other party's Confidential Information with the same standard of care it uses to protect its own Confidential Information; and (b) not disclose the Confidential Information, except to Affiliates, employees and agents who need to know it and who have agreed in writing to keep it confidential. Each party (and any Affiliates, employees and agents to whom it has disclosed Confidential Information) may use Confidential Information only to exercise rights and fulfill its obligations under this Agreement, while using reasonable care to protect it. Each party is responsible for any actions of its Affiliates, employees and agents in violation of this Section.

7.2 Exceptions. Confidential Information does not include information that: (a) the recipient of the Confidential Information already knew; (b) becomes public through no fault of the recipient; (c) was independently developed by the recipient; or (d) was rightfully given to the recipient by another party.

7.3 Required Disclosure. Each party may disclose the other party's Confidential Information when required by law but only after it, if legally permissible: (a) uses commercially reasonable

efforts to notify the other party; and (b) gives the other party the chance to challenge the disclosure.

Intellectual Property Rights; Brand Features.

8.1 Intellectual Property Rights. Except as expressly set forth herein, this Agreement does not grant either party any rights, implied or otherwise, to the other's content or any of the other's intellectual property. As between the parties, Customer owns all Intellectual Property Rights in Customer Data, and Google owns all Intellectual Property Rights in the Services.

8.2 Display of Brand Features. Google may display only those Customer Brand Features authorized by Customer (such authorization is provided by Customer uploading its Brand Features into the Services), and only within designated areas of the Service Pages. Customer may specify the nature of this use using the Admin Console. Google may also display Google Brand Features on the Service Pages to indicate that the Services are provided by Google. Neither party may display or use the other party's Brand Features beyond what is allowed in this Agreement without the other party's prior written consent.

8.3 Brand Features Limitation. Any use of a party's Brand Features will inure to the benefit of the party holding Intellectual Property Rights in those Brand Features. A party may revoke the other party's right to use its Brand Features pursuant to this Agreement with written notice to the other and a reasonable period to stop the use.

Publicity. Customer agrees that Google may include Customer's name or Brand Features in a list of Google customers, online or in promotional materials. Customer also agrees that Google may verbally reference Customer as a customer of the Google products or services that are the subject of this Agreement. This section is subject to Section 8.3.

Representations, Warranties and Disclaimers.

10.1 Representations and Warranties. Each party represents that it has full power and authority to enter into the Agreement. Each party warrants that it will comply with all laws and regulations applicable to its provision, or use, of the Services, as applicable (including applicable security breach notification law). Google warrants that it will provide the Services in accordance with the applicable SLA.

10.2 Disclaimers. TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, EXCEPT AS EXPRESSLY PROVIDED FOR HEREIN, NEITHER PARTY MAKES ANY OTHER WARRANTY OF ANY KIND, WHETHER EXPRESS, IMPLIED, STATUTORY OR OTHERWISE, INCLUDING WITHOUT LIMITATION WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR USE AND NONINFRINGEMENT. GOOGLE MAKES NO REPRESENTATIONS ABOUT ANY CONTENT OR INFORMATION MADE ACCESSIBLE BY OR THROUGH THE SERVICES. CUSTOMER ACKNOWLEDGES THAT THE SERVICES ARE NOT A TELEPHONY SERVICE AND THAT THE SERVICES ARE NOT CAPABLE OF PLACING OR RECEIVING ANY CALLS, INCLUDING EMERGENCY SERVICES CALLS, OVER PUBLICLY SWITCHED TELEPHONE NETWORKS.

Term and Termination.

11.1 Term. The term for the Services will be as decided upon between Reseller and Customer. This Agreement will remain in effect for the Term.

11.2 Termination for Breach. Either party may suspend performance or terminate this Agreement if: (i) the other party is in material breach of the Agreement and fails to cure that

breach within thirty days after receipt of written notice; (ii) the other party ceases its business operations or becomes subject to insolvency proceedings and the proceedings are not dismissed within ninety days; or (iii) the other party is in material breach of this Agreement more than two times notwithstanding any cure of such breaches.

11.3 Effects of Termination. If this Agreement terminates, then: (i) the rights granted by one party to the other will cease immediately (except as set forth in this Section); (ii) Google will provide Customer or Reseller access to, and the ability to export, the Customer Data for a commercially reasonable period of time at Google's then-current rates for the applicable Services; (iii) after a commercially reasonable period of time, Google will delete Customer Data by removing pointers to it on Google's active and replication servers and overwriting it over time; and (iv) upon request each party will promptly use commercially reasonable efforts to return or destroy all other Confidential Information of the other party.

Indemnification.

12.1 By Customer. Customer will indemnify, defend, and hold harmless Google from and against all liabilities, damages, and costs (including settlement costs and reasonable attorneys' fees) arising out of a third party claim: (i) regarding Customer Data or Customer Domain Names; (ii) that Customer Brand Features infringe or misappropriate any patent, copyright, trade secret or trademark of a third party; or (iii) regarding Customer's use of the Services in violation of the Acceptable Use Policy.

12.2 By Google. Google will indemnify, defend, and hold harmless Customer from and against all liabilities, damages, and costs (including settlement costs and reasonable attorneys' fees) arising out of a third party claim that Google's technology used to provide the Services or any Google Brand Feature infringe or misappropriate any patent, copyright, trade secret or trademark of such third party. Notwithstanding the foregoing, in no event shall Google have any obligations or liability under this Section arising from: (i) use of any Services or Google Brand Features in a modified form or in combination with materials not furnished by Google, and (ii) any content, information or data provided by Customer, End Users or other third parties.

12.3 Possible Infringement.

a. Repair, Replace, or Modify. If Google reasonably believes the Services infringe a third party's Intellectual Property Rights, then Google will: (a) obtain the right for Customer, at Google's expense, to continue using the Services; (b) provide a non-infringing functionally equivalent replacement; or (c) modify the Services so that they no longer infringe.

b. Suspension or Termination. If Google does not believe the foregoing options are commercially reasonable, then Google may suspend or terminate Customer's use of the impacted Services. If Google terminates the impacted Services, then Google will notify Customer or Reseller, or both.

12.4 General. The party seeking indemnification will promptly notify the other party of the claim and cooperate with the other party in defending the claim. The indemnifying party has full control and authority over the defense, except that: (a) any settlement requiring the party seeking indemnification to admit liability or to pay any money will require that party's prior written consent, such consent not to be unreasonably withheld or delayed; and (b) the other party may join in the defense with its own counsel at its own expense. THE INDEMNITIES
