The Grantee agrees to create and retain records supporting this Agreement for a period of three years after the completion date of this Agreement or the conclusion of any claim, litigation or exception relating to this Agreement taken by the State of Montana or a third party.

Note: If this project extends across more than one fiscal year, more than one annual rate will be involved, as the rate may change during the life of the project.
12. Except for any suits, claims, actions, losses, costs or damages which are solely the result of the negligent acts or omissions or misconduct of State employees, the Grantee agrees that it will protect, indemnify, and save harmless the State and Department of Transportation against and from all claims, liabilities, demands, causes of action, judgments (with any costs and fees that might be awarded), and losses to them from any cause whatever from the project, and including any suits, claims, actions, losses, costs or damages of any kind, including the State and Department's legal expenses, made against the State or Department by anyone arising out of, in connection with, or incidental to the project and its construction or use or maintenance.

This Agreement, as written, expresses the total, final and only agreement of the parties relevant to its subject matter. No provision, expressed or implied, arising from any prior oral or written request, bid, inquiry, negotiation, contract, or any other form of communication shall be a provision of this Agreement unless specifically provided within the written terms herein.

- (2) Nondiscrimination: The Grantee, with regard to the work performed by it during the Agreement, shall not discriminate on the grounds of sex, race, color, or national origin in the selection and retention of subcontractors, including procurement of materials and leases of equipment. The Grantee shall not participate either directly or indirectly in the discrimination prohibited by 49 CFR Sec. 21.5.
- (3) Solicitations for Subcontracts, Including Procurement of Materials and Equipment: In all solicitations, whether by competitive bidding or negotiation by the Grantee for work to be performed under a subcontract, including procurement of materials or leases of equipment, any potential subcontractor or supplier shall be notified by the Grantee of the Grantee's obligations under this Agreement and the Regulations relative to nondiscrimination.
- (4) Information and Reports: The Grantee will provide all reports and information required by the Regulations, or directives issued pursuant thereto, and permit access to its books, records, accounts, other sources of information and its facilities as may be determined by State or the Federal Highway Administration (FHWA) to be pertinent to ascertain compliance with Regulations or directives. Where any information required of the Grantee is in the exclusive possession of another who fails or refuses to furnish this information, the Grantee shall so certify to the Department or the FHWA as requested, setting forth what efforts it

has made to obtain the information.
