WHEREAS, the Act provides that funds from the Program shall be disbursed and administered for the purposes set forth in the Clean Water Act and according to rules adopted by the DEQ and the DNRC; and

WHEREAS, the current EPA Capitalization Grant (as hereinafter defined) requires that loans under the Program funded in whole or in part by such grant in the aggregate and not on a loan-by-loan basis be structured in such a way that a percentage of the total proceeds of such grant be subject to loan forgiveness; and

WHEREAS, the City of Miles City, Montana (the "Borrower"), has applied to the DNRC for the 2016 Loans (as hereinafter defined) from the Revolving Fund to enable the Borrower to finance, refinance or reimburse itself for a portion of the costs of the 2016 Project (as hereinafter defined) which will carry out the purposes of the Clean Water Act, to fund a deposit to the Reserve Account (as hereinafter defined) and to pay costs of issuance of the Series 2016 Bonds (as hereinafter defined); and

WHEREAS, the DNRC offered to make loans in the total principal amount of \$6,696,000 available to the Borrower, with one loan in the amount of \$400,000 contemplated to be forgiven in the event the Borrower satisfies certain conditions; and

WHEREAS, the Borrower contemplates issuing bonds in two series, one a Series 2016A Bond in the maximum principal amount of \$400,000 (the "Series 2016A Bond"), and the other a Series 2016B Bond in the maximum principal amount of \$6,296,000 (the "Series 2016B Bond"); and

WHEREAS, provided that the Borrower complies with certain conditions for principal forgiveness, the Borrower's obligation to repay the Series 2016A Bond will be forgiven; and

WHEREAS, the Borrower is authorized under applicable laws, ordinances and regulations to adopt this Supplemental Resolution and to issue the Series 2016 Bonds to evidence the 2016 Loans (as hereinafter defined) for the purposes set forth herein; and

WHEREAS, the DNRC will fund: (i) the 2016A Loan (as hereinafter defined) entirely from proceeds of the EPA Capitalization Grant, (ii) the 2016B Loan (as hereinafter defined) with proceeds of Recycled Money (as hereinafter defined).

## ARTICLE II

### AUTHORIZATION, FINDINGS, REPRESENTATIONS AND COVENANTS

#### Section 2.1. Authorization and Findings.

(a) Authorization. Under the provisions of the Enabling Act, the Borrower is authorized to issue and sell its revenue bonds payable during a term not exceeding forty years from their date of issue, to provide funds for the reconstruction, improvement, betterment and extension of the System or to refund its revenue bonds issued for such purpose; provided that the bonds and the interest thereon are to be payable solely out of the net income and revenues to be derived from rates, fees and charges for the services, facilities and commodities furnished by the undertaking, and are not to create any obligation for the payment of which taxes may be levied except to pay for services provided by the undertaking to the Borrower.

(b) The System. The Borrower, pursuant to the Enabling Act and other laws of the State, has established and presently owns and operates the System.

(c) The 2016 Project. After investigation of the facts and as authorized by the Act, this Council has determined it to be necessary and desirable and in the best interests of the Borrower to acquire and construct the 2016 Project.

(d) Outstanding Bonds. Pursuant to the Enabling Act and the Original Resolution, the Borrower has issued, and has outstanding, its Series 2012B Bond. The Series 2012B Bond is payable from Net Revenues of the System. No other bonds or indebtedness are outstanding that are payable from or secured by revenues of the System.

(e) Additional Parity Bonds. The Borrower reserved the right under Section 10.3 of the Original Resolution, as amended by Section 11.3 hereof, to issue additional Bonds payable from the Revenue Bond Account of the Fund on a parity as to both principal and interest with the outstanding Bonds, if the Net Revenues of the System for the last complete fiscal year preceding the date of issuance of such additional Bonds have equaled at least 110% of the maximum amount of principal and interest payable from the Revenue Bond Account in any subsequent fiscal year during the term of the outstanding Bonds, on all Bonds then outstanding and on the additional Bonds proposed to be issued. For the purpose of the foregoing computation, the Net Revenues for the fiscal year preceding the issuance of the additional Bonds shall be those shown by the financial reports caused to be prepared by the Borrower pursuant to the Original Resolution, as amended by Section 11.3

hereof, except that if the rates and charges for services provided by the System or finally authorized to go into effect within 60 days after the issuance of the additional Bonds have been changed since the beginning of such preceding fiscal year, then the rates and charges in effect at the time of issuance of the additional Bonds shall be applied to the quantities of service actually rendered and made available during such preceding fiscal year to ascertain the gross revenues, from which there shall be deducted to determine the Net Revenues, the actual operation and maintenance cost plus any additional annual costs of operation and maintenance the Consultant estimates will be incurred because of the improvement or extension of the System to be constructed from the proceeds of the additional Bonds proposed to be issued. In no event shall any additional Bonds be issued and made payable from the Revenue Bond Account if the Borrower is then in default in any payment of principal or of interest on any outstanding Bonds payable therefrom, or if there then exists any deficiency in the balances required by the Original Resolution to be maintained in any of the accounts of the Fund, which will not be cured or restored upon the issuance of the additional Bonds. Based on a certificate executed or to be executed by the Mayor and the City Clerk-Treasurer, or either of them, it is hereby determined that the Borrower is authorized to issue \$6,296,000 in aggregate principal amount of additional Bonds pursuant to Section 10.3 of the Original Resolution, as amended by Section 11.3 hereof, payable from and secured by the Net Revenues on a parity with the outstanding Series 2012B Bond.

For purposes of the foregoing certificate, principal of and interest on the 2016A Loan are disregarded. The Borrower acknowledges and agrees that if it fails to deliver timely an acceptable Compliance Certificate and Request as provided in Section 5.1 of this Supplemental Resolution as determined in the sole and complete discretion of the DNRC or if a Noncompliance Certificate is delivered, then principal and interest and surcharges will become due and owing on the Series 2016A Bond as provided in Section 5.1 of this Supplemental Resolution, and the Borrower shall thereupon, and in any event no later than three (3) months after delivery of a Noncompliance Statement, to the extent required by Section 6.7 of the Original Resolution, as amended by Section 11.3 of this Supplemental Resolution, adjust its schedule of fees, rates, and charges applicable to the System to cause Net Revenues and Surplus Net Revenues to be produced in an amount at least equal to that required by the Resolution.

Section 2.2. Representations. The Borrower represents as follows:

(a) Organization and Authority. The Borrower:

(i) is duly organized and validly existing as a municipal corporation and political subdivision of the State;

(iii) is a Governmental Unit and a Public Entity; and

(iv) has taken all proper action to authorize the execution, delivery and performance of its obligations under this Resolution, the Series 2016 Bonds and the Collateral Documents and the incurrence of the Debt evidenced by the Series 2016 Bonds in the maximum amount of the Committed Amount.

(b) Pending Litigation. There is no litigation or proceeding pending or, to the knowledge of the Borrower, threatened against or affecting the Borrower in any court or before or by any governmental authority or arbitration board or tribunal that, if adversely determined, would materially and adversely affect the existence, corporate or otherwise, of the Borrower, or the ability of the Borrower to make all payments and otherwise perform its obligations under this Resolution, the Series 2016 Bonds and the Collateral Documents, or the financial condition of the Borrower, or the transactions contemplated by this Resolution, the Series 2016 Bonds and the Collateral Documents or the validity and enforceability of this Resolution, the Series 2016 Bonds and the Collateral Documents. If any such litigation should be initiated or threatened, the Borrower will forthwith notify in writing the DNRC, and will furnish the DNRC a copy of all documents, including pleadings, in connection with such litigation. No referendum petition has been filed with respect to any resolution or other action of the Borrower relating to the 2016 Project, the Series 2016 Bonds or any Collateral Documents.

The adoption of this Resolution, the execution and delivery of the Series 2016 Bonds and the Collateral Documents and the consummation of the transactions provided for in this Resolution, the Series 2016 Bonds and the Collateral Documents and compliance by the Borrower with the provisions of this Resolution, the Series 2016 Bonds and the Collateral Documents:

(i) are within the powers of the Borrower and have been duly authorized by all necessary action on the part of the Borrower; and

(ii) do not and will not result in any breach of any of the terms, conditions or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any property or assets of the Borrower pursuant to any ordinance, resolution, indenture, loan agreement or other agreement or instrument (other than this Resolution and any Collateral Documents) to which the Borrower is a party or by which the Borrower or its property may be bound, nor will such action result in any violation of the provisions of any charter or similar document, if applicable, any laws, ordinances, governmental rules or regulations or court or other governmental orders to which the Borrower, its properties or operations are subject.

(d) No Defaults. No event has occurred and no condition exists that, upon execution and delivery of the Series 2016 Bonds and the Collateral Documents, would constitute a default under this Resolution or the Collateral Documents. The Borrower is not in violation of any term of any agreement, bond resolution, trust indenture, charter or other instrument to which it is a party or by which it or its property may be bound which violation would materially and adversely affect the transactions contemplated hereby or the compliance by the Borrower with the terms hereof or of the Series 2016 Bonds and the Collateral Documents.

(e) Governmental Consent. The Borrower has obtained or made all permits, findings and approvals required to the date of adoption of this Resolution by any governmental body or officer for the making and performance by the Borrower of its obligations under this Resolution, the Series 2016 Bonds and the Collateral Documents (including any necessary sewer rate increase) or for the 2016 Project, the financing or refinancing thereof or the reimbursement of the Borrower for costs thereof. No consent, approval or authorization of, or filing, registration or qualification with, any governmental authority (other than those, if any, already obtained) is required on the part of the Borrower as a condition to adopting this Resolution, issuing the Series 2016 Bonds or entering into the Collateral Documents and the performance of the Borrower's obligations hereunder and thereunder. If a utility board or commission manages or controls the System, such board or commission has agreed with the DNRC to abide by the terms of this Resolution and the Collateral Documents, including approving any necessary sewer rate increases.

(f) Binding Obligation. This Resolution, the Series 2016 Bonds and any Collateral Documents to which the Borrower is a party are the valid and binding special, limited obligations and agreements of the Borrower, enforceable against the Borrower in accordance with their terms except to the extent that the enforceability thereof may be limited by laws relating to bankruptcy, moratorium, reorganization, insolvency or similar laws affecting creditors' rights and general principles of equity.

(g) The 2016 Project. The 2016 Project consists and will consist of the facilities, improvements and activities described in Appendix A, as such Appendix A may be amended from time to time in accordance with Article III of this Resolution. The 2016 Project comprises facilities of a type that, as determined by the EPA, will facilitate compliance with the national primary water pollution control regulations applicable to the System or will otherwise significantly further the health protection objectives of the Clean Water Act.

(h) The System. The System is a "public sewage system" within the meaning of the Act and the Clean Water Act in that it is a public sewage system that provides collection, transportation, treatment, or disposal of sewage for 15 or more families or 25 or more persons daily for any 60 or more days in a calendar year.

(i) Full Disclosure. There is no fact that the Borrower has not specifically disclosed in writing to the DNRC that materially and adversely affects or (so far as the Borrower can now foresee), except for pending or proposed legislation or regulations that are a matter of general public information, that will materially and adversely affect the properties, operations and finances of the System, the Borrower's status as a Public Entity and Governmental Unit, its ability to own and operate the System in the manner currently operated or the Borrower's ability to perform its obligations under this Resolution, the Series 2016 Bonds and the Collateral Documents and to pledge any revenues or other property pledged to the payment of the Series 2016 Bonds.

(j) Compliance With Law. The Borrower:

subject and which are material to the properties, operations and finances of the System or its status as a Public Entity and Governmental Unit; and

(2) has obtained all licenses, permits, franchises or other governmental authorizations necessary to the ownership of the System and the operation thereof and agrees to obtain all such licenses, permits, franchises or other governmental authorizations as may be required in the future for the System and the operation thereof, which failure to obtain might materially and adversely affect the ability of the Borrower to conduct the operation of the System as presently conducted or the condition (financial or otherwise) of the System or the Borrower's ability to perform its obligations under this Resolution, the Series 2016 Bonds and the Collateral Documents.

### Section 2.3. Covenants.

(a) Insurance. In addition to the requirements of Section 2.2 of the Original Resolution, the Borrower at all times shall keep and maintain with respect to the System property and casualty insurance and liability insurance with financially sound and reputable insurers, or self-insurance as authorized by State law, against such risks and in such amounts, and with such deductible provisions, as are customary in the State in the case of entities of the same size and type as the Borrower and similarly situated and shall carry and maintain, or cause to be carried and maintained, and pay or cause to be paid timely the premiums for all such insurance. All such insurance policies shall name the DNRC as an additional insured to the extent permitted under the policy or program of insurance of the Borrower. Each policy must provide that it cannot be cancelled by the insurer without giving the Borrower and the DNRC 30 days' prior written notice. The Borrower shall give the DNRC prompt notice of each insurance policy it obtains or maintains to comply with this 0 and of each renewal, replacement, change in coverage or deductible under or amount of or cancellation of each such insurance policy and the amount and coverage and deductibles and carrier of each new or replacement policy. Such notice shall specifically note any adverse change as being an adverse change. The Borrower shall deliver to the DNRC at Closing a certificate providing the information required by this 0

(b) Right of Inspection and Notice of Change of Location. The DNRC, the DEQ and the EPA and their designated agents shall have the right at all reasonable times during normal business hours and upon reasonable notice to enter into and upon the property of the Borrower for the purpose of inspecting the System or any or all books and records of the Borrower relating to the System.

(c) Further Assurance. The Borrower shall execute and deliver to the DNRC all such documents and instruments and do all such other acts and things as may be necessary or required by the DNRC to enable the DNRC to exercise and enforce its rights under this Resolution, the Series 2016 Bonds and the Collateral Documents and to realize thereon, and record and file and re-record and refile all such documents and instruments, at such time or times, in such manner and at such place or places, all as may be necessary or required by the DNRC to validate, preserve and protect the position of the DNRC under this Resolution, the Series 2016 Bonds and the Collateral Documents.

(d) Maintenance of Security; Recordation of Interest.

(i) The Borrower shall, at its expense, take all necessary action to maintain and preserve the lien and security interest of this Resolution and the Collateral Documents so long as any amount is owing under this Resolution or the Series 2016 Bonds;

(ii) The Borrower shall forthwith, after the execution and delivery of the Series 2016 Bonds and thereafter from time to time, cause this Resolution and any Collateral Documents granting a security interest in revenues or real or personal property and any financing statements or other notices or documents relating thereto to be filed, registered and recorded in such manner and in such places as may be required by law in order to perfect and protect fully the lien and security interest hereof and thereof and the security interest in them granted by this Resolution and, from time to time, shall perform or cause to be performed any other act required by law, including executing or causing to be executed any and all required continuation statements and shall execute or cause to be executed any further instruments that may be requested by the DNRC for such perfection and protection; and

(iii) Except to the extent it is exempt therefrom, the Borrower shall pay or cause to be paid all filing, registration and recording fees incident to such filing, registration and recording, and all expenses incident to the preparation, execution and acknowledgment of the documents described in subparagraph (ii), and all federal or state fees and other similar fees, duties, imposts, assessments and charges arising out of or in connection with the execution and delivery of the Series 2016 Bonds and the Collateral Documents and the documents described in subparagraph (ii).

(e) Additional Agreements. The Borrower covenants to comply with all representations, covenants, conditions and agreements, if any, set forth in Appendix C hereto.

(f) Financial Information. This Section 2.3(f) supplements, and is not intended to limit, the requirements in Section 2.2(e) of the Original Resolution, which is amended by Section 11.3 of this Supplemental Resolution. The Borrower agrees that for each fiscal year it shall furnish to the DNRC and the DEQ, promptly when:

(1) the preliminary budget for the System, with items for the 2016 Project shown separately; and

(2) when adopted, the final budget for the System, with items for the 2016 Project shown separately.

(g) Project Accounts. The Borrower shall maintain Project accounts in accordance with generally accepted government accounting standards.

(h) Records. After reasonable notice from the EPA or the DNRC, the Borrower shall make available to the EPA or the DNRC such records as the EPA or the DNRC reasonably requires to review and determine compliance with the Clean Water Act, as provided in Section 75-5-1113(1)(d) of the Act.

(i) Compliance with Clean Water Act. The Borrower has complied and shall comply with all conditions and requirements of the Clean Water Act pertaining to the 2016 Loans and the 2016 Project and shall maintain sufficient financial, managerial and technical capability to continue to effect such compliance.

(j) Compliance with DEQ Requirements. The Borrower shall comply with plan, specification and other requirements for public sewer systems established by the DEQ, as required by Section 75-5-1113(1)(g) of the Act.

#### Section 2.4. Covenants Relating to the Tax-Exempt Status of the State Bonds.

(a) The Borrower covenants and agrees that it will not use or permit to be used any of the proceeds of the Series 2016 Bonds or any other funds of the Borrower in respect of the 2016 Project or the Series 2016 Bonds, directly or indirectly, in a manner that would cause, or take any other action that would cause, any State Bond to be an “arbitrage bond” within the meaning of Section 148 of the Code or would otherwise cause the interest on the State Bonds to be included in gross income for purposes of federal income taxation.

(b) The Borrower agrees that it will not enter into, or allow any “related person” (as defined in Section 147(a)(2) of the Code) to enter into, any arrangement, formal or informal, for the purchase of the State Bonds or any other obligations of the DNRC in an amount related to the amount of the 2016 Loans or the portion of the 2016 Loans derived directly or indirectly from proceeds of the State Bonds or that would otherwise cause any State Bond to be an “arbitrage bond” within the meaning of Section 148 of the Code.

(c) The Borrower shall not use or permit the use of the 2016 Project directly or indirectly in any trade or business carried on by any Person who is not a Governmental Unit. For the purpose of this subparagraph, use as a member of the general public (within the meaning of the Regulations) shall not be taken into account and any activity carried on by a Person other than a natural person shall be treated as a trade or business.

(d) Any portion of the 2016 Project being refinanced or the cost of which is being reimbursed was acquired by and is now and shall, during the term of the 2016 Loans, be owned by the Borrower and not by any other Person. Any portion of the 2016 Project being financed shall be acquired by and shall, during the term of the 2016 Loan, be owned by the Borrower and not by any other Person. Notwithstanding the previous two sentences, the Borrower may transfer the 2016 Project or a portion thereof to another Governmental Unit which is also a Public Entity if such transfer is otherwise permitted under the Resolution and if such organization agrees with the DNRC to comply with Section 2.3(h), Section 2.3(i) and Section 2.4 of this Supplemental Resolution and if the DNRC receives an Opinion of Bond Counsel that such transfer will not violate the State Act or the Clean Water Act or adversely affect the exclusion of interest on the State Bonds from gross income or purposes of federal income taxation. In addition, except as otherwise provided in the Resolution or in

any Collateral Documents, the Borrower may sell or otherwise dispose of any portion of the 2016 Project which has become obsolete or outmoded or is being replaced or for other reasons is not needed by the Borrower or beneficial to the general public or necessary to carry out the purposes of the Clean Water Act.

(e) At the Closing of the 2016B Loan, the DNRC will, if necessary to obtain the Opinion of Bond Counsel described in Section 7.05(a) of the Indenture, deliver to the Borrower instructions concerning compliance by the Borrower with the arbitrage rebate requirements of Section 148 of the Code (the "Arbitrage Rebate Instructions"). The Borrower shall comply with the Arbitrage Rebate Instructions, if any, delivered to it by the DNRC at Closing, as such Instructions may be amended or replaced by the DNRC from time to time. The Arbitrage Rebate Instructions may be amended or replaced by new Arbitrage Rebate Instructions delivered by the DNRC and accompanied by an Opinion of Bond Counsel to the effect that the use of said amended or new Arbitrage Rebate Instructions will not adversely affect the excludability of interest on the State Bonds or any Additional State Bonds (except State Bonds the interest on which the State did not intend to be excluded from gross income for federal income tax purposes) from gross income of the recipients thereof for federal income tax purposes.

(f) The Borrower agrees that during the term of the 2016 Loans it will not contract with or permit any Private Person to manage the 2016 Project or any portion thereof except according to a written management contract and upon delivery to the DNRC of an Opinion of Bond Counsel to the effect that the execution and delivery of such management contract will not violate the State Act or the Clean Water Act or adversely affect the exclusion of interest on State Bonds from gross income or purposes of federal income taxation.

(g) The Borrower may not lease the 2016 Project or any portion thereof to any Person other than a Nonexempt Person which agrees in writing with the Borrower and the State not to cause any default to occur under the Resolution; provided the Borrower may lease all or any portion of the 2016 Project to a Nonexempt Person pursuant to a lease which in the Opinion of Bond Counsel delivered to the DNRC will not cause the interest on the State Bonds to be included in gross income for purposes of federal income taxation.

(h) The Borrower shall not change the use or nature of the 2016 Project if (i) such change will violate the Clean Water Act, or (ii) so long as the State Bonds are outstanding unless, in the Opinion of Bond Counsel delivered to the DNRC, such change will not result in the inclusion in gross income of interest on the State Bonds for federal income tax purposes.

Section 2.5. Maintenance of System; Liens. The Borrower shall maintain the System, including the 2016 Project, in good condition and make all necessary renewals, replacements, additions, betterments and improvements thereto. The Borrower shall not grant or permit to exist any lien on the 2016 Project or any other property making up part of the System, other than liens securing Debt where a parity or senior lien secures the Series 2016 Bonds;

provided that this Section 2.5. shall not be deemed to be violated if a mechanic's or contractor's lien is filed against any such property so long as the Borrower uses its best efforts to obtain the discharge of such lien and promptly reports to the DNRC the filing of such lien and the steps it plans to take and does take to discharge of such lien.

Section 2.6. Maintenance of Existence; Merger, Consolidation, Etc.; Disposition of Assets. The Borrower shall maintain its corporate existence, except that it may consolidate with or merge into another Governmental Unit or permit one or more Governmental Units to consolidate with or merge into it or may transfer all or substantially all of its assets to another Governmental Unit and then dissolve if the surviving, resulting or transferee entity (if other than the Borrower) (i) is a Public Entity and (ii) assumes in writing all of the obligations of the Borrower under the Resolution, the Series 2016 Bonds and the Collateral Documents, and (a) such action does not result in any default in the performance or observance of any of the terms, covenants or agreements of the Borrower under the Resolution, the Series 2016 Bonds and the Collateral Documents, (b) such action does not violate the State Act or the Clean Water Act and does not adversely affect the exclusion of interest on the Series 2016B Bond or the State Bonds from gross income for federal income tax purposes and (c) the Borrower delivers to the DNRC on the date of such action an Opinion of Bond Counsel that such action complies with this Section 2.6. .

Other than pursuant to the preceding paragraph, the Borrower shall not transfer the System or any portion thereof to any other Person, except for property which is obsolete, outmoded, worn out, is being replaced or otherwise is not needed for the operation of the System, unless the provisions of (a) and (b) of the preceding paragraph are satisfied and the Borrower delivers to the DNRC an Opinion of Bond Counsel to that effect and, in addition, the DNRC consents to such transfer

### ARTICLE III

#### USE OF PROCEEDS; THE 2016 PROJECT

Section 3.1. Use of Proceeds. The Borrower shall apply the proceeds of the 2016 Loans solely as follows:

(a) The Borrower shall apply the proceeds of the 2016 Loans solely to the financing, refinancing or reimbursement of costs of the 2016 Project as set forth in Appendix A hereto and this Section 3.1, to fund a deposit to the Reserve Account and to pay costs of issuance of the Series 2016 Bonds. The 2016 Loans will be disbursed in accordance with Article IV hereof and Article VII of the Indenture. If the 2016 Project has not been completed prior to Closing, the Borrower shall, as quickly as reasonably possible, complete the 2016 Project and expend proceeds of the 2016 Loans to pay costs of completing the 2016 Project.

(b) No portion of the proceeds of the 2016 Loans shall be used to reimburse the Borrower for costs paid prior to the date of adoption of this Resolution or a Project the construction or acquisition of which occurred or began earlier than March 7, 1985. In addition, if any proceeds of the 2016 Loans are to be used to reimburse the Borrower for Project costs paid

prior to the date of adoption of this Resolution, the Borrower shall have complied with Section 1.150-2 of the Regulations in respect of such costs.

(c) Any Debt to be refinanced with proceeds of the 2016 Loans was incurred after March 7, 1985, or with respect to a Project the construction or acquisition of which began after March 7, 1985. No proceeds of the 2016 Loans shall be used for the purpose of refinancing an obligation the interest on which is exempt from federal income tax or excludable from gross income for purposes of federal income taxation unless the DNRC has received an Opinion of Bond Counsel, satisfactory to it, to the effect that such refinancing will not adversely affect the exclusion of interest on the State Bonds from gross income for purposes of federal income taxation.

Section 3.2. The 2016 Project. Set forth in Appendix A to this Resolution is a description of the 2016 Project, which describes the property which has been or is to be acquired, installed, constructed or improved and the other activities, if any, to be funded from the 2016 Loans (the 2016 Project may consist of more than one facility or activity), and an estimated budget relating to the 2016 Project. The 2016 Project may be changed and the description thereof in Appendix A may be amended from time to time by the Borrower but only after delivery to the DNRC of the following:

(a) a certificate of the Borrower setting forth the amendment to Appendix A and stating the reason therefor, including statements as to whether the amendment would cause an increase or decrease in the cost of the 2016 Project or an increase or decrease in the amount of proceeds of the 2016 Loans which will be required to complete the 2016 Project and whether the change will materially accelerate or delay the construction schedule for the 2016 Project;

(b) a written consent to such change in the 2016 Project by an Authorized DNRC Officer; and

(c) an Opinion of Bond Counsel stating that the 2016 Project, as constituted after such amendment, is, and was at the time the State Bonds were issued, eligible for financing under the Act and is, and was at the time the Series 2016 Bonds were issued, eligible for financing under the Enabling Act, such amendment will not violate the Act or the Enabling Act and such amendment will not adversely affect the exclusion of interest on the State Bonds or the Series 2016B Bond from gross income for purposes of federal income taxation. Such an Opinion of Bond Counsel shall not be required for amendments which do not affect the type of facility to be constructed or activity to be financed.

The Borrower acknowledges and agrees that an increase in the principal amount of the 2016 Loans may be made only upon an application to the DEQ, the DNRC and the Trustee, in such form as the DEQ shall specify, which is approved by the DEQ and the DNRC, in their sole and absolute discretion, and adoption by the governing body of the Borrower of a Supplemental Resolution authorizing the additional loan and delivery of written certifications by officers of the Borrower to the DEQ, the DNRC and the Trustee to the effect that all representations and covenants contained in this Resolution as it may be so amended or supplemented are true as of the date of closing of the additional loan and compliance with applicable tests for the incurrence of such debt. No assurance can be given that any additional loan funds will be available under the Program at the time of any such application. The Borrower acknowledges and agrees that

neither the DEQ, the DNRC, the Trustee nor any of their agents, employees or representatives shall have any liability to the Borrower and have made no representations to the Borrower as to the sufficiency of the 2016 Loans to pay costs of the 2016 Project or as to the availability of additional funds under the Program to increase the principal amount of the 2016 Loans.

Section 3.3. 2016 Project Representations and Covenants. The Borrower hereby represents to and covenants with the DNRC that:

(a) all construction of the 2016 Project has complied and will comply with all federal and state standards, including, without limitation, EPA regulations;

(b) all future construction of the 2016 Project will be done only pursuant to fixed price construction contracts. The Borrower shall obtain a performance and payment bond from the contractor for each construction contract in the amount of 100% of the construction price and ensure that such bond is maintained until construction is completed to the Borrower's, the DNRC's and the DEQ's satisfaction;

(c) all future construction of the 2016 Project will be done in accordance with plans and specifications on file with the DNRC and the DEQ, provided that changes may be made in such plans and specifications with the written consent of an Authorized DNRC Officer and the DEQ;

(d) all laborers and mechanics employed by contractors and subcontractors on the 2016 Project have been and will be paid wages at rates not less than those prevailing on projects of a character similar in the locality as determined by the United States Secretary of Labor in accordance with subchapter IV of chapter 31 of title 40, United States Code;

(e) the iron and steel products used in the 2016 Project comply with the "American Iron and Steel" requirements of Section 436 of the Consolidated Appropriations Act of 2016 (P.L. 113-76), as those requirements are further interpreted by applicable EPA guidance;

(f) the 2016 Project is a project of the type permitted to be financed under the Act, the Enabling Act and the Program and Title VI of the Clean Water Act; and

(g) the Borrower will undertake the 2016 Project promptly after the Closing and will cause the 2016 Project to be completed as promptly as practicable with all reasonable dispatch, except only as completion may be delayed by a cause or event not reasonably within the control of the Borrower; it is estimated by the Borrower that the 2016 Project will be substantially completed by the Estimated Completion Date.

Section 3.4. Completion or Cancellation or Reduction of Costs of the 2016 Project.

(a) Upon completion of the 2016 Project, the Borrower shall deliver to the DNRC a certificate stating that the 2016 Project is complete and stating the amount, if any, of the Undisbursed Committed Amount. If Appendix A describes two or more separate projects as making up the 2016 Project, a separate completion certificate shall be delivered for each.

(b) If all or any portion of the 2016 Project is cancelled or cut back or its costs are reduced or for any other reason the Borrower will not require the full Committed Amounts, the Borrower shall promptly notify the DNRC in writing of such fact and the amount of the Undisbursed Committed Amount.

## ARTICLE IV

### THE LOAN

#### Section 4.1. The Loan; Disbursement of Loan.

(a) The DNRC has agreed to lend to the Borrower, from time to time as the requirements of this Section 4.1 are met, an amount up to: (i) \$400,000 (the “2016A Committed Amount”) and (ii) \$6,296,000 (the “2016B Committed Amount”) for the purposes of financing, refinancing or reimbursing the Borrower for costs of the 2016 Project, funding a deposit to the Reserve Account and paying costs of issuance of the Series 2016 Bonds; provided the DNRC shall not be required to disburse any proceeds of the 2016 Loans after the Estimated Completion Date. The Committed Amounts may be reduced as provided in Sections 3.2 and 3.4.

(b) The DNRC intends to disburse the 2016 Loans through the Trustee. In consideration of the issuance of the Series 2016 Bonds by the Borrower, the DNRC shall make, or cause the Trustee to make, a disbursement of all or a portion of the 2016 Loans upon receipt of the following documents:

- (1) an Opinion of Bond Counsel as to the Series 2016A Bond and an Opinion of Bond Counsel as to the validity and enforceability of the Series 2016B Bond and the security therefor and stating in effect that interest on the Series 2016B Bond is not includable in gross income of the owner thereof for purposes of federal income taxation, in form and substance satisfactory to the DNRC;
- (2) the Series 2016A Bond and the Series 2016B Bond, fully executed and authenticated;
- (3) a certified copy of the Original Resolution and this Supplemental Resolution;
- (4) any other security instruments or documents required by the DNRC or DEQ as a condition to their approval of the 2016 Loans;
- (5) if all or part of a Loan is being made to refinance a Project or reimburse the Borrower for costs of a Project paid prior to the Closing, evidence, satisfactory to the DNRC and the Bond Counsel referred to in subparagraph (1) above, (A) that the acquisition or construction of the Project was begun no earlier than March 7, 1985 or the debt was incurred no earlier than March 7, 1985, (B) of the Borrower’s title to the Project, (C) of costs of such Project and that such costs have been paid by the Borrower and (D) if such costs were paid before adoption of this Supplemental Resolution that the Borrower has complied with Section 1.150-2 of the Regulations;

(6) the items required by the Indenture for the portion of the 2016 Loans to be disbursed at Closing; and

(7) such other certificates, documents and other information as the DNRC, the DEQ or the Opinion of Bond Counsel referred to in subparagraph (1) may require (including any necessary arbitrage rebate instructions).

(c) In order to obtain a disbursement of a portion of the 2016 Loans to pay costs of the 2016 Project, the Borrower shall submit to the DNRC and the Trustee a signed request for disbursement on the form prescribed by the DNRC, with all attachments required by such form. The Borrower may obtain disbursements only for costs which have been legally incurred and are due and payable. All Loan disbursements will be made to the Borrower only upon proof that cost was incurred.

(d) Provided that the EPA Capitalization Grant is available to the Program, from and after the 2016B First Advance, the 2016 Loans shall be disbursed, subject to the other terms and conditions of this Resolution, in the following order:

(1) First, the total amount of each advance will be split equally between the 2016A Loan and the 2016B Loan, until the entire amount of the 2016A Loan is advanced; provided that the initial advance shall include the 2016B First Advance.

(2) Second, after the 2016A Loan is advanced in full, all advances will be from only the 2016B Loan.

(e) The Borrower shall not be entitled to, and the DNRC shall have no obligation to make, the 2016B First Advance or any subsequent advance of any amounts under the 2016B Loan until such time as the Borrower shall have funded the Reserve Account in an amount then required to satisfy the Reserve Requirement.

(f) The Borrower shall submit the request for the 2016B First Advance in the form required by the DNRC so that it is received in sufficient time for the DNRC to process the information by the date desired by the Borrower for the making of the 2016B First Advance.

(g) For refinancings, a disbursement schedule complying with the requirements of the Clean Water Act shall be established by the DNRC and the Borrower at Closing.

(h) If all or a portion of the 2016 Loans is made to reimburse a Borrower for Project costs paid by it prior to Closing, the Borrower shall present at Closing the items required by Section 4.1(b) relating to such costs. The Trustee shall disburse such amounts to the Borrower pursuant to a disbursement schedule complying with the requirements of the Clean Water Act established by the DNRC and the Borrower at the Closing.

(i) Notwithstanding anything herein to the contrary, the Trustee shall not be obligated to disburse the 2016 Loans any faster or to any greater extent than it has available EPA Capitalization Grants, Bond proceeds and other amounts available therefor in the Revolving

Fund. The DNRC shall not be required to do “overmatching” pursuant to Section 5.04(b) of the Indenture, but may do so in its discretion. The Borrower acknowledges that if Project costs are incurred faster than the Borrower projected at Closing, there may be delays in making Loan disbursements for such costs because of the schedule under which EPA makes EPA Capitalization Grant money available to the DNRC. The DNRC will use its reasonable best efforts to obtain an acceleration of such schedule if necessary.

(j) Upon making each 2016A Loan disbursement and 2016B Loan disbursement, the Trustee shall note such disbursement on Schedule A to the Series 2016A Bond and the Series 2016B Bond, respectively. At Closing, Schedule A to the Series 2016B Bond shall note the 2016B First Advance.

(k) The Borrower agrees that it will deposit in the Reserve Account upon receipt thereof, on the date of the 2016B First Advance and any subsequent disbursement dates, any proceeds of the 2016B Loan borrowed for the purpose of increasing the balance in the Reserve Account to the Reserve Requirement. The Borrower further acknowledges and agrees that any portion of the 2016 Loans representing capitalized interest shall be advanced only on Payment Dates and shall be transferred by the Trustee on the Payment Date directly to the Debt Service Account. The amount of any such transfer shall be a credit against the interest payments due on the Series 2016 Bonds and interest thereon shall accrue only from the date of transfer.

(l) Compliance by the Borrower with its representations, covenants and agreements contained in this Resolution and the Collateral Documents shall be a further condition precedent to the disbursement of the 2016 Loans in whole or in part. The DNRC and the Trustee, in their sole and absolute discretion, may make one or more disbursements, in whole or in part, notwithstanding such noncompliance, and without liability to make any subsequent disbursement of the 2016 Loans.

Section 4.2. Commencement of Loan Term. The Borrower’s obligations under this Supplemental Resolution and the Collateral Documents shall commence on the date hereof unless otherwise provided in this Supplemental Resolution. However, the obligation to make payments under Article V hereof shall commence only upon the first disbursement by the Trustee of the 2016B First Advance.

Section 4.3. Termination of Loan Term. The Borrower’s obligations under this Resolution and the Collateral Documents in respect of the Series 2016 Bonds shall terminate upon payment in full of all amounts due under the Series 2016 Bonds and this Resolution; provided, however, that the covenants and obligations provided in Article VI and Section 10.3 of this Supplemental Resolution shall survive the termination of the Resolution.

Section 4.4. Loan Closing Submissions. On or prior to the Closing, the Borrower will have delivered to the DNRC and the Trustee the closing submissions required by Section 7.05 of the Indenture.

## ARTICLE V

### REPAYMENT OF 2016 LOANS

Section 5.1. Repayment of 2016 Loans. The Borrower shall repay the amounts borrowed by it pursuant to Section 4.1 in accordance with this Section 5.1.

5.1.1. Interest and Surcharges. Until a Determination Statement is delivered by the DNRC to the Borrower and so long as the Borrower's obligation to repay the principal of the 2016A Loan is forgiven as provided in Section 5.1.2 below, amounts disbursed by the DNRC under Section 4.1 hereof that are evidenced by the Series 2016A Bond bear interest at the rate of zero percent (0.00%) per annum from the date of each advance; provided, however, if the DNRC delivers to the Borrower a Noncompliance Statement, then all principal of the Series 2016A Bond advanced by the DNRC shall be payable and amounts disbursed by the DNRC under Section 4.1 hereof that are evidenced by the Series 2016A Bond shall bear interest at the rate of two percent (2.00%) per annum and in addition the Borrower shall pay the Administrative Expense Surcharge and the Loan Loss Reserve Surcharge from the date of each advance under the Series 2016A Bond. The 2016B Loan shall bear interest at the rate of two percent (2.00%) per annum and the Borrower shall pay the Administrative Expense Surcharge and Loan Loss Reserve Surcharge on the outstanding principal amounts of the 2016B Loan. For purposes of this Resolution and the Program, with respect to the 2016A Loan and the 2016B Loan, the term "interest on the 2016 Loans" or "interest on the 2016A Loan" or "interest on the 2016B Loan," when not used in conjunction with a reference to any surcharges, shall include the Administrative Expense Surcharge and the Loan Loss Reserve Surcharge, if applicable. The Borrower shall pay all Loan Repayments and surcharges in lawful money of the United States of America to the DNRC. Interest, Administrative Expense Surcharge, and Loan Loss Reserve Surcharge shall be calculated on the basis of a year of 360 days comprising 12 months of 30 days each.

#### 5.1.2. Repayment of 2016A Loan; Principal Forgiveness.

(a) The Borrower is obligated to repay the principal of and interest and Administrative Expense Surcharge and Loan Loss Reserve Surcharge on the 2016A Loan, unless the DNRC forgives the Borrower's obligation to repay the principal of the 2016A Loan as provided in Section 5.1.2(b). Subject to the provisions of Section 5.1.2(b), the Loan Repayments and the Administrative Expense Surcharge and Loan Loss Reserve Surcharge on the 2016A Loan shall be due on each Payment Date, as follows:

- (1) Interest and Administrative Expense Surcharge and Loan Loss Reserve Surcharge on the outstanding principal balance of the 2016A Loan shall be payable on each Payment Date following the date of delivery by the DNRC of a Noncompliance Statement and concluding on July 1, 2036; and
- (2) the principal of the 2016A Loan shall be payable on each Payment Date, beginning on the Payment Date that is the first to occur following delivery

by the DNRC of a Noncompliance Statement and concluding on July 1, 2036, and the amount of each principal payment shall be calculated on the basis of a substantially level debt service at the rate of 2.50% per annum; provided that principal of the 2016A Loan is payable only in amounts that are multiples of \$1,000.

(b) Notwithstanding Section 5.1.2(a), so long as the Borrower is proceeding diligently to completion of the 2016 Project and the Borrower has executed and delivered the Compliance Certificate and Request to the DNRC in form and substance satisfactory to the DNRC and the DEQ in their sole and absolute discretion within thirty (30) days after the date that the Compliance Certificate and Request is provided to the Borrower by the DNRC, the DNRC will, following review and approval of the Compliance Certificate and Request, deliver to the Borrower a Forgiveness Statement and the Borrower will thereafter have no obligation to repay amounts advanced under the Series 2016A Bond or interest or surcharges thereon and the Series 2016A Bond will be marked "CANCELLED" and returned by the DNRC to the Borrower. However, in the event the Borrower fails to deliver timely the Compliance Certificate and Request, or the Borrower cannot submit the Compliance Certificate and Request because it cannot make the certifications required therein, or the Compliance Certificate and Request is delivered in a form that deviates materially from that attached hereto as Appendix D as determined in the sole and absolute discretion of the DNRC and the DEQ, or the DNRC or the DEQ determines at any time that the 2016 Project or any portion thereof or of the work relating thereto fails to comply with Program requirements, then the DNRC will deliver to the Borrower a Noncompliance Statement. Upon delivery of a Noncompliance Statement by the DNRC to the Borrower, all principal advanced or to be advanced under the Series 2016A Bond, together with interest, Administrative Expense Surcharge, and Loan Loss Reserve Surcharge thereon from the date of each advance, shall be payable as provided in Section 5.1.2(a).

(c) In addition, in the event the DNRC delivers a Noncompliance Statement (i) the Series 2016A Bond will continue in effect as a Subordinate Obligation, and (ii) the Borrower will forthwith comply with the rate covenant set forth in Section 6.7 of the Original Resolution, as amended by Section 11.3 of this Supplemental Resolution, and, if necessary, increase the rates and charges of the System to satisfy such rate covenant as soon as practicable and in any event no later than three (3) months after the date of delivery to the Borrower by the DNRC of a Noncompliance Statement.

5.1.3. Repayment of 2016B Loan. The Loan Repayments and surcharges on the 2016B Loan required by this Section 5.1 shall be due on each Payment Date, as follows:

- (1) interest and Administrative Expense Surcharge and Loan Loss Reserve Surcharge on the outstanding principal balance of the 2016B Loan shall be payable on each January 1 and July 1, beginning on January 1, 2017, and concluding on July 1, 2036; and

- (2) the principal of the 2016B Loan shall be repayable on each Payment Date, beginning on January 1, 2017, and concluding July 1, 2036, and the amount of each principal payment shall be calculated on the basis of a substantially level debt service at a rate of 2.50% per annum; provided that principal of the 2016B Loan is payable only in amounts that are multiples of \$1,000.

5.1.4. Details Regarding 2016 Loan Repayments. Upon each disbursement of the 2016 Loans to the Borrower pursuant to Section 4.1 hereof, the Trustee shall enter or cause to be entered the amount advanced on Schedule A to the Series 2016A Bond and the Series 2016B Bond, as applicable, under "Advances" and the total amount advanced under Section 4.1, including such disbursement, under "Total Amount Advanced." Loan Repayments and the Administrative Expense Surcharge and the Loan Loss Reserve Surcharge on the 2016B Loan and, if applicable, on the 2016A Loan, accrue on each such advance from the date of disbursement and shall be due and payable on the dates and in the amounts shown in Schedule B to the Series 2016A Bond and the Series 2016B Bond, as such Schedule B shall be modified from time to time as provided in Sections 5.1.2, 5.1.3, 5.1.4 and below. The portion of each such Loan Repayment consisting of principal, of interest, of Administrative Expense Surcharge and of Loan Loss Reserve Surcharge shall be set forth in Schedule B to the Series 2016A Bond and the Series 2016B Bond.

If the DNRC shall have delivered a Noncompliance Statement, then Schedule B to the Series 2016A Bond shall continue to reflect interest and surcharges on amounts advanced under the Series 2016A Bond at the rate of 2.50% per annum. If the DNRC delivers a Forgiveness Statement, Schedule B to the Series 2016A Bond will be disregarded and of no effect.

Past-due Loan Repayments and the Administrative Expense Surcharge and the Loan Loss Reserve Surcharge shall bear interest at the rate of ten percent (10.00%) per annum, until paid.

Any payment of principal and interest as to the Series 2016B Bond and, if applicable, the Series 2016A Bond, and the Administrative Expense Surcharge and the Loan Loss Reserve Surcharge as to the Series 2016B Bond and, if applicable, the Series 2016A Bond under this Section 5.1 shall be credited against the same payment obligation under the Series 2016B Bond and, as applicable, the Series 2016A Bond.

Section 5.2. Additional Payments. The Borrower shall also pay, within 30 days after receipt of a bill therefor, from any legally available funds therefor, including proceeds of the 2016 Loans, all reasonable expenses of the DNRC and the Trustee in connection with the 2016 Loans, the Collateral Documents and the Series 2016 Bonds, including, but not limited to:

- (a) the cost of reproducing this Resolution, the Collateral Documents and the Series 2016 Bonds;

(b) the fees and disbursements of Bond Counsel and other Counsel utilized by the DNRC and the Trustee in connection with the 2016 Loans, this Resolution, the Collateral Documents and the Series 2016 Bonds and the enforcement thereof; and

(c) all taxes and other governmental charges in connection with the execution and delivery of the Collateral Documents or the Series 2016 Bonds, whether or not the Series 2016 Bonds are then outstanding, including all recording and filing fees relating to the Collateral Documents and the pledge of the State's right, title and interest in and to the Series 2016 Bonds, the Collateral Documents and this Resolution (and with the exceptions noted therein) and all expenses, including attorneys' fees, relating to any amendments, waivers, consents or collection or enforcement proceedings pursuant to the provisions hereof or thereof.

Section 5.3. Prepayments. The Borrower may not prepay all or any part of the outstanding principal amount of the Series 2016B Bond and, if applicable, the Series 2016A Bond, unless (i) a Determination Statement has been delivered, (ii) it obtains the prior written consent of the DNRC thereto, and (iii) no Loan Repayment or Administrative Expense Surcharge or Loan Loss Reserve Surcharge is then delinquent. Any prepayment permitted by the DNRC must be accompanied by payment of accrued interest, Administrative Expense Surcharge and Loan Loss Reserve Surcharge to the date of prepayment on the amount of principal prepaid. If the Series 2016 Bonds are prepaid in part pursuant to this Section 5.3, such prepayments shall be applied to principal payments in inverse order of maturity.

Section 5.4. Obligations of Borrower Unconditional. The obligations of the Borrower to make the payments required by this Resolution and the Series 2016 Bonds and to perform its other agreements contained in this Resolution, the Series 2016 Bonds and Collateral Documents shall be absolute and unconditional, except as otherwise provided herein or in such documents. The Borrower (a) shall not suspend or discontinue any payments provided for in this Resolution and the Series 2016 Bonds, (b) shall perform all its other agreements in this Resolution, the Series 2016 Bonds and the Collateral Documents and (c) shall not terminate this Resolution, the Series 2016 Bonds or the Collateral Documents for any cause, including any acts or circumstances that may constitute failure of consideration, destruction of or damage to the 2016 Project or the System, commercial frustration of purpose, any dispute with the DNRC or the EPA, any change in the laws of the United States or of the State or any political subdivision thereof or any failure of the DNRC to perform any of its agreements, whether express or implied, or any duty, liability or obligation arising from or connected with this Resolution.

Section 5.5. Limited Liability. All payments of principal of and interest on the 2016 Loans and other payment obligations of the Borrower hereunder and under the Series 2016 Bonds shall be special, limited obligations of the Borrower payable with respect to the Series 2016B Bond solely out of the Net Revenues or, with respect to the Series 2016A Bond, solely out of Surplus Net Revenues and shall not, except at the option of the Borrower and as permitted by law, be payable out of any other revenues of the Borrower. The obligations of the Borrower under this Resolution and the Series 2016 Bonds shall never constitute an indebtedness of the Borrower within the meaning of any State constitutional provision or statutory or charter limitation and shall never constitute or give rise to a pecuniary liability of the Borrower or a charge against its general credit or taxing power. The taxing powers of the Borrower may not be used to pay principal of or interest on the Series 2016 Bonds, no funds or property of the

Borrower other than the Net Revenues may be required to be used to pay principal of or interest on the Series 2016B Bond, and no funds or property of the Borrower other than the Surplus Net Revenues may be required to be used to pay principal of or interest, if any, on the Series 2016A Bond.

## ARTICLE VI

### INDEMNIFICATION OF DNRC AND DEQ

The Borrower shall, to the extent permitted by law, indemnify and save harmless the DNRC and the DEQ and their officers, employees and agents (each an “Indemnified Party” or, collectively, the “Indemnified Parties”) against and from any and all claims, damages, demands, expenses, liabilities and losses of every kind asserted by or on behalf of any Person arising out of the acts or omissions of the Borrower or its employees, officers, agents, contractors, subcontractors, or consultants in connection with or with regard or in any way relating to the condition, use, possession, conduct, management, planning, design, acquisition, construction, installation or financing of the 2016 Project. The Borrower shall, to the extent permitted by law, also indemnify and save harmless the Indemnified Parties against and from all costs, reasonable attorneys’ fees, expenses and liabilities incurred in any action or proceeding brought by reason of any such claim or demand. If any proceeding is brought against an Indemnified Party by reason of such claim or demand, the Borrower shall, upon notice from an Indemnified Party, defend such proceeding on behalf of the Indemnified Party.

## ARTICLE VII

### ASSIGNMENT

Section 7.1. Assignment by Borrower. The Borrower may not assign its rights and obligations under this Resolution or the Bonds, except as provided in Section 6.3.

Section 7.2. Assignment by DNRC. The DNRC will pledge its rights under and interest in this Resolution, the Bonds and the Collateral Documents (except to the extent otherwise provided in the Indenture) as security for the payment of the State Bonds and may further assign such interests to the extent permitted by the Indenture, without the consent of the Borrower.

Section 7.3. State Refunding Bonds. In the event the State Bonds are refunded by bonds which are not State Bonds, all references in this Resolution to State Bonds shall be deemed to refer to such refunding bonds (together, the “Refunding Bonds”) or, in the case of a crossover refunding, to the State Bonds and the Refunding Bonds. In the event the State Bonds are refunded by an issue of Additional State Bonds, all references in the Resolution to the State Bonds shall be deemed to refer to such Additional State Bonds or, in the case of a crossover refunding, both the State Bonds and such Additional State Bonds.

## ARTICLE VIII

### THE SERIES 2016 BONDS

Section 8.1. Net Revenues Available. The Borrower is authorized to charge just and equitable rates, charges and rentals for all services directly or indirectly furnished by the System, and to pledge and appropriate to the Series 2016B Bond the Net Revenues (and in respect of the Series 2016A Bond, if necessary, the Surplus Net Revenues) to be derived from the operation of the System, including improvements, betterments or extensions thereof hereafter constructed or acquired. The Net Revenues to be produced by such rates, charges and rentals during the term of the Series 2016B Bond are expected to be more than sufficient to pay the principal and interest when due on the Series 2016B Bond, and to create and maintain reasonable reserves therefor and to provide an adequate allowance for replacement and depreciation, as prescribed herein. For purposes of the foregoing statement, principal of and interest on the 2016A Loan are disregarded. The Borrower acknowledges and agrees that if the DNRC delivers a Noncompliance Statement to the Borrower that the obligation of the Borrower to repay the principal of the 2016A Loan is not forgiven as provided in Section 5.1.2 as determined in the sole and complete discretion of the DNRC and DEQ, then principal and interest and surcharges will become due and owing on the 2016A Loan evidenced by the Series 2016A Bond as provided in Section 5.1.2 and the Borrower shall thereupon, and no later than three months after delivery of such Noncompliance Statement, to the extent required by Section 6.7 of the Original Resolution, as amended by Section 11.3 of this Supplemental Resolution, adjust its schedule of fees, rates and charges applicable to the System to cause Net Revenues and Surplus Net Revenues to be produced in an amount at least equal to that required by the Resolution.

Section 8.2. Issuance and Sale of the Series 2016 Bonds. The Council has investigated the facts necessary and hereby finds, determines and declares it to be necessary and desirable for the Borrower to issue the Series 2016 Bonds to evidence the 2016 Loans. The Series 2016 Bonds are issued to the DNRC without public sale pursuant to Montana Code Annotated, Section 7-7-4433.

Section 8.3. Terms. The Series 2016A Bond and the Series 2016B Bond shall be in the maximum principal amount equal to the original 2016A Committed Amount and the 2016B Committed Amount, respectively, shall each be issued as a single, fully registered bond numbered R-1, shall be dated as of the date of delivery to the DNRC, and shall bear interest at the rate charged by the DNRC on the 2016A Loan and the 2016B Loan, respectively. The principal of and interest on the Series 2016B Bond and, if applicable, the principal of and interest on the Series 2016A Bond, and any Administrative Expense Surcharge and Loan Loss Reserve Surcharge shall be payable on the same dates and in the same amounts on Loan Repayments are payable. Advances of principal of the Series 2016A Bond or the Series 2016B Bond shall be deemed made when advances of the 2016A Loan or the 2016B Loan, respectively, are made under Section 4.1, and such advances shall be payable in accordance with Schedule B to the Series 2016B Bond and, if applicable, the Series 2016A Bond, as it may be revised by the DNRC from time to time in accordance with Section 5.1. The Series 2016A Bond is a Subordinate Obligation payable only from the Surplus Net Revenues available in the Replacement and Depreciation Account or the Surplus Account. The Borrower may prepay the Series 2016

Bonds, in whole or in part, only upon the terms and conditions under which it can prepay the 2016 Loans under Section 5.3.

Section 8.4. Negotiability, Transfer and Registration. The Series 2016 Bonds shall be fully registered as to both principal and interest, and shall be initially registered in the name of and payable to the DNRC, shall be dated the date of delivery. While so registered, principal of and interest on the Series 2016 Bonds shall be payable to the DNRC at the Office of the Department of Natural Resources and Conservation, 1625 Eleventh Avenue, Helena, Montana 59620 or such other place as may be designated by the DNRC in writing and delivered to the Borrower. The Series 2016 Bonds shall be negotiable, subject to the provisions for registration and transfer contained in this Section 8.4. No transfer of the Series 2016 Bonds shall be valid unless and until (1) the holder, or his duly authorized attorney or legal representative, has executed the form of assignment appearing on the Series 2016 Bonds, and (2) the City Clerk of the Borrower or successors, as bond registrar (the "Registrar"), has duly noted the transfer on the Series 2016 Bonds and recorded the transfer on the registration books of the Registrar. The Registrar may, prior to noting and recording the transfer, require appropriate proof of the transferor's authority and the genuineness of the transferor's signature. The Borrower shall be entitled to deem and treat the Person in whose name the Series 2016 Bonds is registered as the absolute owner of the Series 2016 Bonds for all purposes, notwithstanding any notice to the contrary, and all payments to the registered holder shall be valid and effectual to satisfy and discharge the Borrower's liability upon such Series 2016 Bonds to the extent of the sum or sums so paid.

Section 8.5. Execution and Delivery. The Series 2016 Bonds shall be executed on behalf of the Borrower by the manual signatures of the Mayor and the City Clerk. Any or all of such signatures may be affixed at or prior to the date of delivery of the Series 2016 Bonds. In the event that any of the officers who shall have signed the Series 2016 Bonds shall cease to be officers of the Borrower before the Series 2016 Bonds are issued or delivered, their signatures shall remain binding upon the Borrower. Conversely, the Series 2016 Bonds may be signed by an authorized official who did not hold such office on the date of adoption of this Resolution. The Series 2016 Bonds shall be delivered to the DNRC, or its attorney or legal representative.

Section 8.6. Form. The Series 2016A Bond shall be prepared in substantially the form attached as Appendix B-1. The Series 2016B Bond shall be prepared in substantially the form attached as Appendix B-2.

## ARTICLE IX

### SECURITY FOR THE SERIES 2016 BONDS

The Series 2016B Bond is issued as an additional Bond under Section 10.3 of the Original Resolution, as amended by Section 11.3 of this Supplemental Resolution, and shall, with the Series 2012B Bond and any other additional Bonds issued under the provisions of Article X of the Original Resolution, excluding Section 10.4 thereof, be equally and ratably secured by the provisions of the Resolution and payable out of the Net Revenues appropriated to the Revenue Bond Account of the Sewer System Fund, without preference or priority, all as provided in the Resolution, and secured by the Reserve Account, as further provided in

Section 10.3 of the Original Resolution and in the following sentence. Upon advancement of principal of the Series 2016B Bond, the City Clerk-Treasurer of the Borrower shall transfer from proceeds of the Series 2016B Bond such amount or amounts to the Reserve Account to cause the balance therein to equal the Reserve Requirement, treating such principal amount as outstanding. Upon each advance of the Series 2016B Bond, the deposit to the Reserve Account shall be sufficient to cause the balance in the Reserve Account to equal the Reserve Requirement in respect of the Series 2016B Bond so advanced. The Series 2016A Bond is a Subordinate Obligation issued under Section 10.4 of the Original Resolution and payable from the Surplus Net Revenues that are available after required credits to the Operating Account, the Revenue Bond Account, and the Reserve Account. No payment of principal or interest shall be made on any Subordinate Obligation, including the Series 2016A Bond, if the City is then in default in the payment of principal of or interest on any Bond or if there is a deficiency in the Operating Account or the Revenue Bond Account or the balance in the Reserve Account is less than the Reserve Requirement. In the event the principal of and interest and Administrative Expense Surcharge and Loan Loss Reserve Surcharge become payable under the Series 2016A Bond, the Borrower shall cause rates and charges to be increased to produce Net Revenues at least equal to the amount required under Section 6.7 of the Original Resolution, as amended by Section 11.3 of this Supplemental Resolution, within three (3) months following delivery of a Noncompliance Statement. The Borrower shall keep, perform and observe each and every one of its covenants and undertakings set forth in the Resolution for the benefit of the registered holders from time to time of the Series 2016 Bonds.

## ARTICLE X

### TAX MATTERS

Section 10.1. Use of Project and System. The 2016 Project and the System will be owned and operated by the Borrower and available for use by members of the general public on a substantially equal basis. The Borrower shall not enter into any lease, use or other agreement with any non-governmental person relating to the use of the 2016 Project or the System or security for the payment of the Series 2016B Bond which might cause the Series 2016B Bond to be considered a “private activity bond” or “private loan bond” within the meaning of Section 141 of the Code.

Section 10.2. General Covenant. The Borrower covenants and agrees with the owners from time to time of the Series 2016B Bond that it will not take or permit to be taken by any of its officers, employees or agents any action which would cause the interest on the Series 2016B Bond to become includable in gross income for federal income tax purposes under the Code and the Regulations, and covenants to take any and all actions within its powers to ensure that the interest on the Series 2016B Bond will not become includable in gross income for federal income tax purposes under the Code and the Regulations.

Section 10.3. Arbitrage Certification. The Mayor and the City Clerk, being the officers of the Borrower charged with the responsibility for issuing the Series 2016B Bond pursuant to this Resolution, are authorized and directed to execute and deliver to the DNRC a certificate in accordance with the provisions of Section 148 of the Code, and Section 1.148-2(b) of the Regulations, stating that on the basis of facts, estimates and circumstances in existence on the

date of issue and delivery of the Series 2016B Bond, it is reasonably expected that the proceeds of the Series 2016B Bond will be used in a manner that would not cause the Series 2016B Bond to be an “arbitrage bond” within the meaning of Section 148 of the Code and the Regulations.

Section 10.4. Arbitrage Rebate. The Borrower acknowledges that the Series 2016B Bond is subject to the rebate requirements of Section 148(f) of the Code. The Borrower covenants and agrees to retain such records, make such determinations, file such reports and documents and pay such amounts at such times as are required under said Section 148(f) and applicable Treasury Regulations to preserve the exclusion of interest on the Series 2016B Bond from gross income for federal income tax purposes, unless the Series 2016B Bond qualifies for the exception from the rebate requirement under Section 148(f)(4)(B) of the Code and no “gross proceeds” of the Series 2016B Bond (other than amounts constituting a “bona fide debt service fund”) arise during or after the expenditure of the original proceeds thereof. In furtherance of the foregoing, the Mayor and City Clerk-Treasurer are hereby authorized and directed to execute a Rebate Certificate with respect to the Series 2016B Bond, substantially in the form to be prepared by Bond Counsel, and the Borrower hereby covenants and agrees to observe and perform the covenants and agreements contained therein, unless amended or terminated in accordance with the provisions thereof.

Section 10.5. Information Reporting. The Borrower shall file with the Secretary of the Treasury, not later than November 15, 2016, a statement concerning the Series 2016B Bond containing the information required by Section 149(e) of the Code.

Section 10.6. “Qualified Tax-Exempt Obligation.” Pursuant to Section 265(b)(3)(B)(ii) of the Code, the Borrower hereby designates the Series 2016B Bond as a “qualified tax-exempt obligation” for purposes of Section 265(b)(3) of the Code. The Borrower has not designated any obligations in 2016 under Section 265(b)(3) other than the Series 2016B Bond. The Borrower hereby represents that it does not anticipate that obligations bearing interest not includable in gross income for purposes of federal income taxation under Section 103 of the Code (including refunding obligations as provided in Section 265(b)(3) of the Code and including “qualified 501(c)(3) bonds” but excluding other “private activity bonds,” as defined in Sections 141(a) and 145(a) of the Code) will be issued by or on behalf of the Borrower and all “subordinate entities” of the Borrower in 2016 in an amount greater than \$10,000,000.

## ARTICLE XI

### AMENDMENTS

Section 11.1. Authorization. Pursuant to Section 16.4 of the Original Resolution, the Borrower reserved the right to amend the Resolution with the written consent of the DNRC.

Section 11.2. Consent of DNRC. The DNRC has consented in writing to the amendments of the provisions of the Original Resolution set forth herein.

Section 11.3. Amendments.

(a) Section 1.1. Section 1.1 of the Original Resolution is hereby amended to amend the following definition, in its entirety, as follows:

“‘Reserve Requirement’ means, as of the date of calculation, an amount equal to one-half the sum of the highest amount of cumulative principal of and interest payable on all outstanding Bonds in any one future fiscal year (giving effect to mandatory sinking fund redemption, if any).”

(b) Section 2.2(f). Section 2.2(f) of the Original Resolution is hereby amended to read, in its entirety, as follows:

“(f) Financial Information. The Borrower agrees that for each fiscal year it shall furnish to the DNRC and the DEQ, promptly when available:

the preliminary budget for the System, with items for the Project shown separately; and

when adopted, the final budget for the System, with items for the Project shown separately.

The Borrower will cause proper and adequate books of record and account to be kept showing complete and correct entries of all receipts, disbursements and other transactions relating to the System, the monthly gross revenues derived from its operation, and the segregation and application of the gross revenues in accordance with this Resolution, in such reasonable detail as may be determined by the Borrower in accordance with generally accepted governmental accounting practice and principles. It will cause such books to be maintained on the basis of the same fiscal year as that utilized by the Borrower. The Borrower shall, within 270 days after the close of each fiscal year, cause to be prepared and supply to the DNRC a financial report with respect to the System for such fiscal year. The report shall be prepared at the direction of the financial officer of the Borrower in accordance with applicable generally accepted governmental accounting principles and, in addition to whatever matters may be thought proper by the financial officer to be included therein, shall include the following:

- (A) A statement in detail of the income and expenditures of the System for the fiscal year, identifying capital expenditures and separating them from operating expenditures;
- (B) A balance sheet as of the end of the fiscal year;
- (C) The number of premises connected to the System at the end of the fiscal year;
- (D) The amount on hand in each account of the Fund at the end of the fiscal year;

- (E) A list of the insurance policies and fidelity bonds in force at the end of the fiscal year, setting out as to each the amount thereof, the risks covered thereby, the name of the insurer or surety and the expiration date of the policy or bond; and
- (F) A determination that the report shows full compliance by the Borrower with the provisions of this Resolution during the fiscal year covered thereby, including proper segregation of the capital expenditures from operating expenses, maintenance of the required balance in the Revenue Bond Account (as hereinafter defined), and receipt of Net Revenues during each fiscal year at least equal to 110% of the maximum amount of principal and interest payable on outstanding Bonds in any subsequent fiscal year, or, if the report should reveal that the revenues have been insufficient for compliance with this Resolution, or that the methods used in accounting for such revenues were contrary to any provision of this Resolution, the report shall include a full explanation thereof, together with recommendations for such change in rates or accounting practices or in the operation of the System as may be required.

The Borrower shall also have prepared and supplied to the DNRC and the DEQ, within 270 days of the close of every other fiscal year, an audit report prepared by an independent certified public accountant or an agency of the state in accordance with generally accepted governmental accounting principles and practice with respect to the financial statements and records of the System. The audit report shall include an analysis of the Borrower's compliance with the provisions of this Resolution."

(c) Section 6.7. Section 6.7 of the Original Resolution is hereby amended to read, in its entirety, as follows:

"Section 6.7. Rate Covenant. While any Bonds are outstanding and unpaid, the rates, charges and rentals for all services and facilities furnished and made available by the System to the Borrower and its inhabitants, and to all customers within or without the boundaries of the Borrower, shall be reasonable and just, taking into consideration the cost and value of the System and the cost of maintaining and operating it, and the amounts necessary for the payment of all Bonds and the interest accruing thereon, and the proper and necessary allowances for the depreciation of the System, and no free service shall be provided to any person or corporation. It is covenanted and agreed that the rates, charges and rentals to be charged to all recipients of sewer services shall be maintained and shall be revised, whenever and as often as may be necessary, according to schedules such that the gross revenues for each fiscal year will be at least sufficient to pay the current expenses of operation and maintenance as herein defined, to maintain a balance in the Reserve Account equal to the Reserve Requirement, to provide reserves for the replacement and depreciation of the System, to maintain the Operating Reserve herein established, to produce Net Revenues during each fiscal year, commencing with the fiscal year ending June 30, 2012, not less than 110% of the maximum annual principal and interest payable on any outstanding Bonds in the current or any future fiscal year, and to

produce Surplus Net Revenues sufficient to pay the principal of and interest on any Subordinate Obligations as and when due.

“If at the close of any fiscal year the Net Revenues or Surplus Net Revenues actually received during such year have been less than required hereby, the Borrower will forthwith prepare a schedule of altered rates, charges and rentals which are just and equitable and sufficient to produce Net Revenues and Surplus Net Revenues in such amount, and will do all things necessary to the end that such schedule will be placed in operation at the earliest possible date.”

(d) Section 10.3. Section 10.3 of the Original Resolution is hereby amended to read, in its entirety, as follows:

“Section 10.3. Other Parity Bonds. The Borrower reserves the right to issue additional Bonds payable from the Revenue Bond Account of the Fund, on a parity as to both principal and interest with the Series 2012B Bond, if the Net Revenues of the System for the last complete fiscal year preceding the date of issuance of such additional Bonds have equaled at least 110% of the maximum amount of principal and interest payable from said Revenue Bond Account in any subsequent fiscal year during the term of the outstanding Bonds, on all Bonds then outstanding and on the additional Bonds proposed to be issued. For the purpose of the foregoing computation, the Net Revenues for the fiscal year preceding the issuance of additional Bonds shall be those shown by the financial reports caused to be prepared by the Borrower pursuant to Section 2.2(f), except that if the rates and charges for services provided by the System have been changed since the beginning of such preceding fiscal year, then the rates and charges in effect at the time of issuance of the additional Bonds or finally authorized to go into effect within 60 days thereafter shall be applied to the quantities of service actually rendered and made available during such preceding fiscal year to ascertain the gross revenues, from which there shall be deducted to determine the Net Revenues, the actual operation and maintenance cost plus any additional annual costs of operation and maintenance which the Consultant estimates will be incurred because of the improvement or extension of the System to be constructed from the proceeds of the additional Bonds proposed to be issued. In no event shall any additional Bonds be issued and made payable from the Revenue Bond Account if the Borrower is then in default in any payment of principal of or interest on any outstanding Bonds payable therefrom or if there then exists any deficiency in the balances required by this Resolution to be maintained in any of the accounts of the Fund, which will not be cured or restored upon the issuance of the additional Bonds. In connection with the issuance of a series of additional Bonds, the Borrower shall cause the amount in the Reserve Account to be increased, from the proceeds of the additional Bonds or from Surplus Net Revenues or other legally available funds of the Borrower, to an amount equal to the Reserve Requirement during the term of the outstanding Bonds or so much thereof as will not cause the Borrower to violate the provisions of Section 12.2 hereof.”

Section 11.4. Effect of Amendments. Except as amended by this Article XI, the provisions of the Original Resolution as now in effect remain unamended and the Original Resolution, as amended hereby, continues in full force and effect.

FOR VALUE RECEIVED, the City of Miles City, Montana (the "Borrower"), a duly organized municipal corporation and political subdivision of the State of Montana, acknowledges itself to be specially indebted and, for value received, hereby promises to pay to the Department of Natural Resources and Conservation of the State of Montana (the "DNRC"), or its registered assigns, solely out of available Surplus Net Revenues in the Replacement and Depreciation Account or the Surplus Account of its Sewer System Fund (the "Sewer System Fund"), the sum of the principal amounts entered on Schedule A attached hereto under "Total Amount Advanced," with interest on each such amount from the date such amount is advanced hereunder at the rate of two percent (2.00%) per annum on the unpaid balance until paid, together with an Administrative Expense Surcharge and Loan Loss Reserve Surcharge on the outstanding principal amount of this Bond from the date of each advance of principal, each at the rate of twenty-five hundredths of one percent (0.25%) per annum, all subject to the effect of the immediately following paragraph. Principal, interest and Administrative Expense Surcharge and Loan Loss Reserve Surcharge shall be payable in semiannual installments payable on each January 1 and July 1 (each a "Payment Date") commencing with the Payment Date that is the first to occur following delivery by the DNRC to the Borrower of a statement that the Borrower's obligation to repay the principal amount of the 2016A Loan is not forgiven and ending on July 1, 2036, all as described in the Resolution (as hereinafter defined), subject to earlier redemption. Each installment shall be in the amount set forth opposite its due date in Schedule B attached hereto under "Total Loan Payment." The portion of each such payment consisting of principal, of interest, of Administrative Expense Surcharge and of Loan Loss Reserve Surcharge shall be as set forth in Schedule B attached hereto. Upon each disbursement of the 2016A Loan, the DNRC shall enter (or cause to be entered) the principal amount advanced on Schedule A under "Advances" and the total amount advanced under the Resolution (as hereinafter defined), including such advance, under "Total Amount Advanced." The DNRC shall prepare Schedule B and any revised Schedule B, or cause Schedule B and any revised Schedule B to be prepared, as provided in Section 5.1 of the Resolution, and the final Schedule B will reflect repayments under Section 5.1.4 of the Resolution. Schedule B shall be calculated and recalculated on a level debt service basis assuming an interest rate of two and one-half percent (2.50%) per annum. Past-due payments of principal and interest and Administrative Expense Surcharge and Loan Loss

Reserve Surcharge shall bear interest at the rate of ten percent (10.00%) per annum, until paid. Interest and Administrative Expense Surcharge and Loan Loss Reserve Surcharge shall be calculated on the basis of a 360-day year comprising 12 months of 30 days each. All payments under this Bond shall be made to the registered holder of this Bond, at its address as it appears on the bond register, in lawful money of the United States of America.

NOTWITHSTANDING THE FOREGOING PROVISIONS OF THIS BOND, IN THE EVENT THAT THE BORROWER TIMELY DELIVERS A COMPLIANCE CERTIFICATE AND REQUEST (AS DEFINED IN THE RESOLUTION) IN FORM AND SUBSTANCE SATISFACTORY TO THE DNRC AND THE DNRC IN RESPONSE THERETO SUPPLIES TO THE BORROWER A FORGIVENESS STATEMENT, THEN THEREUPON INTEREST SHALL BE DEEMED TO ACCRUE ON THE PRINCIPAL OF THIS BOND FROM THE DATE OF EACH ADVANCE AT THE RATE OF ZERO PERCENT (0.00%) PER ANNUM AND THE BORROWER'S OBLIGATION TO REPAY PRINCIPAL ADVANCED HEREUNDER SHALL BE FORGIVEN, AND THE BORROWER SHALL HAVE NO OBLIGATION TO REPAY THE DNRC OR ITS REGISTERED ASSIGNS ANY AMOUNTS ADVANCED HEREUNDER OR INTEREST OR ANY SURCHARGE THEREON. THIS BOND SHALL THEREUPON BE MARKED "CANCELLED" AND RETURNED BY THE HOLDER TO THE BORROWER, AND THIS BOND SHALL NO LONGER CONSTITUTE AN OBLIGATION OF THE BORROWER OR OF THE SYSTEM (AS HEREINAFTER DEFINED). IN ADDITION, UNTIL THE DELIVERY OF A DETERMINATION STATEMENT BY THE DNRC TO THE BORROWER, THE OBLIGATION OF THE BORROWER TO REPAY THE OUTSTANDING PRINCIPAL AMOUNT HEREOF SHALL BE DEFERRED UNTIL THE PAYMENT DATE FIRST OCCURRING AFTER DELIVERY OF A NONCOMPLIANCE STATEMENT AND INTEREST SHALL BE DEEMED TO ACCRUE ON THE PRINCIPAL OF THIS BOND FROM THE DATE OF EACH ADVANCE UNTIL DELIVERY OF SUCH A NONCOMPLIANCE STATEMENT AT THE RATE OF ZERO PERCENT (0.00%) PER ANNUM.

This Bond is one of an issue of Sewer System Revenue Bonds of the Borrower authorized to be issued in one or more series from time to time, and constitutes a series in the maximum authorized principal amount of \$400,000 (the "Series 2016A Bond"). The Series 2016A Bond is issued to finance costs of the construction of certain improvements to the sewer system of the Borrower (the "System"). The Series 2016A Bond is issued pursuant to and in full conformity with the Constitution and laws of the State of Montana thereunto enabling, including Montana Code Annotated, Title 7, Chapter 7, Part 44, as amended, and ordinances and resolutions duly adopted by the governing body of the Borrower, including Resolution No. 3519 duly enacted by the City Council of the Borrower on August 14, 2012 (the "Original Resolution"), as amended and supplemented by Resolution No. [ ] adopted on July 26, 2016 (the Original Resolution, as so amended and supplemented, the "Resolution"). Terms used with initial capital letters but not defined herein have the meanings given to them in the Resolution. The Series 2016A Bond is issuable only as a single, fully registered bond. The Series 2016A Bond is issued as a Subordinate Obligation payable out of available Surplus Net Revenues in the Replacement and Depreciation Account or the Surplus Account in the Sewer System Fund. Simultaneously herewith, the Borrower is issuing its Sewer System Revenue Bond (DNRC

Water Pollution Control State Revolving Loan Program), Series 2016B (the "Series 2016B Bond") which is payable from the Revenue Bond Account in the Sewer System Fund on a parity with the Borrower's Sewer System Revenue Bond (DNRC Water Pollution Control State Revolving Loan Program), Series 2012B (collectively, the "Outstanding Bonds"). Following the 2016B First Advance, the total amount of each advance will be split equally between the Series 2016A Bond and the Series 2016B Bond, until the entire amount of the Series 2016A Bond is advanced; provided that the initial advance shall include the 2016B First Advance. After the Series 2016A Bond is advanced in full, all advances will be from only the Series 2016B Bond.

Reference is made to the Resolution for a more complete statement of the terms and conditions upon which the Series 2016A Bond has been issued, the conditions upon which the Resolution may be amended, the rights, duties and obligations of the Borrower, and the rights of the owners of the Series 2016A Bond.

The Borrower may prepay the principal of the Series 2016A Bond only if (i) a Determination Statement has been delivered, (ii) it obtains the prior written consent of the DNRC thereto, and (iii) no Loan Repayment or Administrative Expense Surcharge or Loan Loss Reserve Surcharge is then delinquent. Any prepayment permitted by the DNRC must be accompanied by payment of accrued interest, and Administrative Expense Surcharge and Loan Loss Reserve Surcharge to the date of prepayment on the amount of principal prepaid. If the Series 2016A Bond is prepaid in part, such prepayments shall be applied to principal payments in inverse order of maturity.

This Series 2016A Bond, including interest and any premium, are payable solely from the Surplus Net Revenues available for the payment hereof and do not constitute a debt of the Borrower within the meaning of any constitutional or statutory limitation or provision.

The Borrower may deem and treat the person in whose name this Series 2016A Bond is registered as the absolute owner hereof, whether this Series 2016A Bond is overdue or not, for the purpose of receiving payment and for all other purposes, and the Borrower shall not be affected by any notice to the contrary. The Series 2016A Bond may be transferred as hereinafter provided.

IT IS HEREBY CERTIFIED, RECITED, COVENANTED AND AGREED that the Borrower has duly authorized and will forthwith construct and complete the improvements to the System hereinabove described; that it will prescribe and collect reasonable rates and charges for all services and facilities afforded by the System, including all additions thereto and replacements and improvements thereof, and has created a special Sewer System Fund into which the gross revenues of the System will be paid, and a separate and special Replacement and Depreciation Account and Surplus Account in that Sewer System Fund, into which will be paid, subject to the prior lien thereon of the Operating Account, the Revenue Bond Account and the Reserve Account, Surplus Net Revenues; that the rates and charges for the System will from time to time be made and kept sufficient, to provide gross income and revenues adequate to pay promptly the reasonable and current expenses of operating and maintaining the System, to produce in each fiscal year Net Revenues in excess of such current expenses, equal to at least 110% of the maximum amount of principal and interest payable from the Revenue Bond Account in any subsequent fiscal year and to produce in each fiscal year adequate Surplus Net

Revenues to pay the principal of and interest on the Series 2016A Bond as and when due; that additional Bonds and refunding Bonds may be issued and made payable from the Revenue Bond Account on a parity with the Outstanding Bonds and other parity Bonds upon certain conditions set forth in the Resolution, but no obligation will be otherwise incurred and made payable from the Net Revenues of the System, unless the lien thereof shall be expressly made subordinate to the lien of the Outstanding Bonds and additional parity Bonds on such Net Revenues and such obligations are payable only from Surplus Net Revenues (as is the case with this Series 2016A Bond); that all provisions for the security of the holder of this Series 2016A Bond set forth in the Resolution will be punctually and faithfully performed as therein stipulated; that all acts, conditions and things required by the Constitution and laws of the State of Montana and the ordinances and resolutions of the Borrower to be done, to exist, to happen and to be performed in order to make this Series 2016A Bond a valid and binding special obligation of the Borrower according to its terms have been done, do exist, have happened and have been performed as so required; and that this Series 2016A Bond and the premium, if any, and interest hereon are payable solely out of available Surplus Net Revenues in the Replacement and Depreciation Account or the Surplus Account of the Sewer System Fund and do not constitute a debt of the Borrower within the meaning of any constitutional or statutory limitation or provision and the issuance of the Series 2016A Bond does not cause either the general or the special indebtedness of the Borrower to exceed any constitutional or statutory limitation.

IN WITNESS WHEREOF, the City of Miles City, Montana, by its governing body, has caused this Bond to be executed by the signatures of the Mayor and the City Clerk, and has caused the official seal of the Borrower to be affixed hereto, and has caused this Bond to be dated as of the 26<sup>th</sup> day of July, 2016.
