

Public Safety Committee Meeting

June 21, 2012

The **Public Safety Committee** met Thursday, June 21, 2012, at 12:00 pm in the City Hall Conference Room. Present were Committee Chairperson John Uden and Committee Members Sue Galbraith and Mark Ahner. Committee Member Dwayne Andrews was excused. Also present were Mayor Chris Grenz, Miles City Police Captain Mark Reddick and Committee Recorder Connie Watts.

Review Ordinance No. 1242 (Police Commission Compensation)

Committee Chairperson Uden stated this ordinance has come to this Committee as a referral from the Council at its last council meeting. State law requires that Police Commission members receive some compensation for their services. Through an oversight, this has never been done. The proposed ordinance would bring the City of Miles City into compliance with the State law.

*** After discussion, Committee Member Ahner moved to recommend approval of this Ordinance to the Council, as amended, as follows: "Each member of the police commission shall be paid the sum of \$25.00 per month."*

On roll call vote, the motion passed two to zero, with Committee Member Galbraith voting no.

Adjournment

*** Having no more business to come before the Committee, Committee Member Galbraith moved to adjourn, seconded by Committee Member Ahner and passed unanimously. The meeting was adjourned at 12:20 p.m.*

Respectfully Submitted:

Public Safety Committee Chairperson:

Connie L. Watts, Recorder

Chairperson John Uden
