Appendix A

The Darling Addition Project will involve the reconstruction of city streets and intersections, water mains, sanitary sewers and storm drain utilities. There will also be ADA curb corners installed, curbing replaced and fire hydrants. The project is located in the Darling Addition of Miles City in the general area between Main St. and Stower St. and between S. Custer Ave. and S. Merriam Ave. This project will be phased over a three year span to allow the Public Works and Utilities to budget and complete this project. This project will address a failing storm sewer system with inadequate drainage, improve sewer lines and upgrade the water lines so they are capable of enough flow to have enough pressure from the fire hydrants to protect the property's in this area.
