## **VII. DEFAULT**

If TENANT shall at any time be in default in the payment of rent due hereunder, or in the performance of any of the covenants or provisions of this Lease, and TENANT shall fail to remedy such default within thirty (30) days after receipt of written notice thereof from the CITY, then it shall be lawful for the CITY to enter upon the premises, and again repossesses and enjoy the same as if the Lease had not been entered into, and thereupon this Lease and everything herein contained on the part of the CITY to be done and performed shall cease and terminate, without prejudice, however, to the right of the CITY to recover from TENANT all rent due up to the time of such entry. In the case of such default and entry by the CITY, the ownership of any and all improvements on the premises shall vest in the CITY (if the same shall not have already vested), and the CITY may re-let the premises for the remainder of TENANT'S term for the highest rent obtainable and may recover from TENANT any deficiency between the amount so

If the default is in the performance of any of covenants or provision of this Lease, other than failure to timely pay the rental called for herein, and, by the nature of the default, it cannot reasonably be cured within a thirty (30) day period, so long as TENANT commences and diligently pursues a cure of such default promptly within the initial thirty (30) day cure period, then TENANT shall have a further reasonable time to complete such cure, not to exceed an additional sixty (60) days after the expiration of the initial thirty (30) day cure period. Payments not received by the City within thirty (30) calendar days of the annual due date shall be subject to a late fee at a rate of 10% per annum.
