Façade Improvement Grant Guidelines

The Miles City Downtown Urban Renewal Agency (URA) and Miles City Historic Preservation Office (MCHPO) is offering the Façade Improvement Grant (FIG) program. The program began in 2016, and designed to promote the improvement of commercial and multi-use properties in the Historic Downtown Main Street District by helping property owners upgrade, rehabilitate, and preserve the facades of eligible structures in Historic Downtown Miles City. The FIG program aims to make revitalization efforts more affordable by providing matching grant funds.

General Provisions

The policies and procedures contained within these guidelines are to present the criteria which govern the façade improvement activities assisted with funds made available through the FIG program.

Purpose: FIG grants are provided to owners or tenants (with documentation) in recognition of the positive impacts that individual building improvements can have on overall appearance, quality, growth, and vitality of the downtown.

Objectives: Façade improvement activities, assisted with funds made available through the FIG program, are intended to meet the following objectives:

- To encourage the leveraging of new private investment into Downtown Miles City in the form of fixed asset investment related to exterior building improvements;
- To preserve, enhance, and restore the historical and architectural significance of buildings in Downtown Miles City; and
- To promote a positive and proactive business climate in Downtown Miles City that encourages the revitalization of buildings and supports business improvement.

Minimum Requirements: to be eligible for funding, a proposed project must meet all of the following minimum requirements:

1. Private Funds Leveraged – the applicant must leverage a minimum of one dollar (\$1.00) of private funds for every dollar (\$1.00) of grant funds requested.
2. When a historic building – exterior renovations shall to the extent practical, preserve and promote the significant architectural and historic features of the building. Modifications to listed historic buildings must be reviewed and approved by the State Historic Preservation Office and included in the application.
3. Compliance with Applicable Laws – applicant shall comply with all applicable local, state, and federal laws and codes.
4. Project Completion – projects must begin within three (3) months of grant award letter and completed October 1, 2021 of the year of the grant award.
5. Project must be within the Historical Downtown District boundary (inside shaded area), map attached.
6. Application is submitted by a property owner or tenant within the area shown on the map.
 - a. If applicant is a tenant, a letter of support from the property owner must be included. Please be sure to include how much time is on the lease.
7. Applications must include a title, deed, or lease.
8. Properties must be commercial, residential properties turning commercial, or multi-use.
9. Applicant must provide high resolution before pictures(s) within the application and emailed

Eligible Improvements Grants

Eligible improvements may include:

- Awnings – repair or installation
- Rehabilitation or compatible reconstruction of storefronts
- Removal of metal siding and exterior slip covers (surfaces), exterior cleaning, painting, and/or paint removal

- Masonry repair and repainting
- Repair and replacement of architectural details or materials
- Window repair or replacement
- Improvement to backs of buildings are eligible if done in conjunction with a front façade improvement or if the front façade is already considered satisfactory according to program guidelines

Ineligible Improvements Grants

Ineligible improvements may include:

- Improvements made prior to grant approval
- Interior rehabilitation unless it is essential to rehabilitate the building's façade
- Interior decoration
- Refinancing of existing debt
- Inventory and equipment
- Sweat equity (payments for applicant's own labor), although building materials/supplies are eligible for funding if the applicant does not use an outside contractor
- General business operations expenses (payroll, taxes, utilities, etc.)
- Business signs

Terms and Conditions include

- Grant amounts are subject to the availability of program funds but shall not exceed \$3,600. The Façade Grant Committee has the authority to recommend award of grants exceeding the \$3600 maximum if a project is deemed especially beneficial to the FIG program objectives.
- Grantees will be required to sign a grant agreement guaranteeing the project will be completed according to the details included on the grant application and approved by the Façade Grant Committee.
- Grants will be paid in a lump sum at the end of the project as a reimbursement of costs incurred. Invoices need to be sent no later than the project completion date.
- Awarded grantees will cooperate with any efforts of the URA to publicize the grant award.

Building Design Requirements

- Exterior renovations shall, to the extent practical, preserve and promote the significant architectural and historic features of the building.
- All construction work shall comply with applicable local, state, and federal building codes.
- The program is geared towards façade projects that protect the historic integrity of the building and improve the overall appearance of the downtown area.
- The goal is to return the building facades in the downtown area to their appearance following their initial construction; however, it is recognized that some buildings may have a different period of architectural significance that supersedes the original construction appearance.
- Ideal projects will retain or repair original features and use historic materials. For example, installation of vinyl siding would not be funded but the repair and repainting of original wood

siding would.

- Projects should draw upon the history and architecture of the building while still reflecting the current use.
- The goal is not to try to recreate some past time in the history of Miles City; instead, it is to draw upon the architectural and historic distinctiveness of the downtown to enhance its value.
- Creative new uses for existing building stock will be strongly encouraged, as well as modern yet compatible awnings, signage, lighting, and other fixtures to enhance the appearance of storefronts and downtown.

Distribution of Funds

Prior to releasing grant funds, the following documentation must be in place.

1. **Notice of Award** – will be emailed and/or mailed to awardee
2. **Grant Agreement** – will be included in the award letter
3. **Evidence of Program Expenditures** – documentation shall be provided by the awarded applicant of expenditures prior to the release of funds which can include bills, invoices, or receipts for materials. All documents shall be reviewed and approved by the Executive Director.
4. **Inspection** – the Executive Director shall perform a visual inspection to ensure the project activities were completed per the grant agreement. A photograph of the completed project will be filed.
