The Council shall respond in writing to the Union not later than 10 calendar days following its next regular meeting.

Step 3: Arbitration:

1. If the Union is not satisfied with the response from the City Council, the Union may appeal the grievance to final and binding arbitration by giving the Mayor written notice not later than ten calendar days of receipt of the Council's response. The Union shall petition the Board of Personnel Appeals for a list of seven potential arbitrators to be delivered to the Union and the Mayor or his/her designee. The parties shall then toss a coin to determine the order of striking names, which process shall result in one name being left who shall be the arbitrator. The Union shall notify the Board of the name of the arbitrator chosen.
2. The parties will work with the elected arbitrator to schedule a hearing date, or to arrange for an alternate system of presenting the issue. Each party shall be responsible for its own costs, except if both parties request a transcript in which case they will split the costs, just as the fees and expenses of the arbitrator shall be split between the parties.
3. Not less than 20 calendar days before the arbitration hearing, the arbitrator will decide all arbitrability issues filed to that date.

4. The arbitrator shall have no authority to add to, subtract from or otherwise alter the terms of this Agreement. The arbitrator shall issue his or her decision in writing to each party not later than thirty calendar days of the close of the hearing or the submission of post hearing briefs.
5. Should an employee or the Union file the subject of an active grievance into another arena, the grievance shall be deemed null and void. However, from the point the matter is submitted to arbitration, the Union and employee shall be barred from filing the matter into another arena.

Upon issuance of such a decision, the parties agree immediately to negotiate a substitute for the invalidated Article, Section, or portion thereof.

ARTICLE 22 - STRIKES AND LOCKOUTS

During the term of this Agreement, the Union agrees that there shall not be any strikes, slowdowns, sympathy strikes, interference in the operations of the City, and the City agrees that there shall not be any lockouts.

ARTICLE 23 - TERM, AMENDMENTS AND MODIFICATIONS OF BASIC AGREEMENT

This Agreement shall be for a period effective as of July 1, 2022, and shall continue in full force and through June 30, 2023 and from year to year thereafter unless either party gives written notice of its desire to modify, amend or terminate this Agreement to the other party not less than sixty days prior to the date of expiration of this Agreement or any of the annual renewal dates.

Heavy Equipment Operator Program

The City’s Heavy Equipment Operator Program recognizes previous equipment experience, provides for the training of new operators and includes a means of objectively evaluating all operators. HEO qualification into 4 equipment categories as follows:

- Commercial Driver’s License
- HEOII Front End Loader
- HEOIII Front End Loader / Backhoe
- HEOIV Front End Loader / Backhoe / Excavator or Motor grader

There will be a training and evaluation form (example attached) associated with each piece of equipment. The form will include the most common tasks a city operator will be required to perform throughout the year under normal working conditions for each piece of equipment. The form will be used to document training, note deficiencies, make recommendations and validate promotions to each operator category.

Once a qualified person/trainer has verified that an operator can safely and competently perform all the required tasks for a piece of equipment, they will recommend to the applicable Department Director that the operator be promoted to the appropriate HEO category.

The training and documentation part of the program will be implemented to provide a fair and objective means of evaluating abilities, training and provide a means of documenting training as required by the Montana Department of Labor and Industry.

MEMORANDUM of UNDERSTANDING (MOU)
Between the City of Miles City ("City") and AFSCME Local 283A ("union")

Re: Alternative Scheduling for Workers

Purpose: At the discretion of the City and under mutual agreement with the union, the City of Miles City may allow employees to work four ten hour shifts as opposed to five eight hour shifts in a given week under the following conditions.

1. An employee who elects to work 10 hour shifts must do so for a minimum period of 2 months, beginning at the beginning of, and ending at the end of scheduled pay periods.
2. A minimum of 2 employees per department/section must make the selection of 10 hr work week in order to have at least 2 employees on duty at the same time for reasons of safety and productivity.
3. The scheduling supervisor will determine whether the 10 hr work week per employee will be Monday-Thursday or Tuesday-Friday in order to ensure crew coverage Monday-Friday of each week.

This MOU modifies the current Collective Bargaining Agreement (CBA) language, Article 6 – Hours of Work, Section A (FY2020-2022):

- A. Workday: A standard workday shall consist of eight hours continuous, except for a normal lunch period not to exceed one hour, in any 24-hour period.

TO

- A. Workday: A standard workday shall consist of eight hours continuous in a five-day work week, or ten hours continuous in a four-day workweek, except for a normal lunch period not to exceed one hour, in any 24-hour period.

Scheduling either 4/10s or 5/8s remains at the discretion of the City or acting management in accordance with the CBA.

Overtime: It is understood that while working four ten-hour shifts, overtime is calculated after ten hours of time worked in an individual scheduled day.

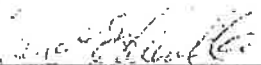

Holidays: An employee who is scheduled for a day off on a day which is observed as a legal Holiday shall be entitled to receive an alternate day off which shall be scheduled by mutual agreement. This would amount to ten hours of comp time if the employee is working ten-hour shifts during the week in question.

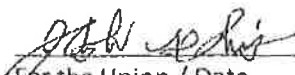

As per union contract work on Saturday and Sunday would be calculated at the overtime rate specified by the CBA. If an employee is called into work during a weekday that is the scheduled day off in a four ten-hour work week, the employee will be paid at one and a half times the employees pay scale.

Water Treatment Plant: It has been established that the work period for employees at the Water and Wastewater Plant is a Calendar Week (Sunday through Saturday) and that Sunday will not be at Holiday pay. For overtime purposes during a work week in which the employee is working ten-hour shifts:

- The fifth day after the start of an employee's shift shall be at time and one-half pay;
- The sixth day shall be paid at two and one-half times the employee's pay scale, if the employee is required to work on those days;
- The seventh day would be calculated at one and a half times the employees pay scale.

This agreement is reached mutually between both entities and can be dissolved by mutual agreement at any time.
