To Whom it may Concern:

Please consider this letter written confirmation that the City of Miles City continues to be committed to the match as outlined in the original ARPA grant application earlier this year.

Commitment was reaffirmed by formal resolution during the regular scheduled council meeting on September 13, 2022, at which time, the City of Miles City approved the use of Local Fiscal Recovery Funds in the amount of \$527,738.00, \$10,000 from Local Contribution and \$1,531,927 from ARPA Minimum Allocation Funds as matching funds for the Competitive Grant award for the Miles City Internal Drainage and Stormwater Safety Improvements Project.

These funds have been included and approved in the FY 22/23 final budget and are set aside in a separate account for future use within the multi-year project.

Thank you again for your generous grant and your commitment to water and sewer projects throughout the State. Should you have any questions, please feel free to contact us.

Respectfully,

A handwritten signature in blue ink, appearing to read "John Hollowell".
